Looking for a specific charity?

Use the alphabetical index to locate a favorite national or local charity. Charity codes can be found before the charity name in the index or on the referenced page within the guide.

Some charities that have many locations or affiliates (e.g., Salvation Army) show multiple listings, indicating their inclusion in several regional or county organizations.

In addition, there may be separate listings for location-specific affiliates or chapters of organizations, depending upon the official or preferential name of the charity as submitted by the federation. For instance, in one county an affiliate of the American Red Cross may be called simply "American Red Cross," while in another county it may be location specific, such as "American Red Cross-Fostoria Chapter."

In some instances where there are multiple agencies with the same name, the county affiliation may be shown in parentheses after the name.

A numerical (charity code) listing can be found on the website at ohio.gov/ohioccc.

Thank you for your charitable contribution.
