Free Support – When You Need It

- You wake up in the middle of the night with an agonizing stomach ache, and you don't know what to do.
- Your child has a high fever.
- You don't know if you should go to the emergency room.

Should you call your doctor? Try a home treatment?
Go to urgent care?

Call the *APS Healthcare Nurse Advice Line* – 1-866-272-5507 – and get the help you need to make an informed decision.

Available to all health plan members any day, any time, with no limits, the **Nurse Advice Line** is here to help you with both routine and urgent health matters.

Never Hesitate - Just Call
