Looking for a specific charity?

You can locate your specific charity in a number of ways:

- * **By federation/location:** Charities are listed following their federation affiliation. United Way’s are further broken down by County.
- * **By index:** Use the alphabetical index to locate a favorite national or local charity. There is a numerical index available on the website if you think you may know your charity code.
- * **Look online:** The resource guide is also available online at ohio.gov/ohioccc and has a search option to help you search for a favorite charity.
- * Some charities that have many locations or affiliates show multiple listings, indicating their inclusion in several regional or county organizations.

Thank you for making a difference with your charitable contribution.
