
SAFETY & SECURITY START WITH YOU!

IT IS THE RESPONSIBILITY OF EVERY DAS EMPLOYEE TO:

- ★ Know your work site's safety and security procedures.
- ★ Treat every alarm as a real event
- ★ Respond to your floor warden's directions in the event of an emergency.
- ★ Take appropriate action regarding suspicious people and packages in your work area.
- ★ Participate in safety and security training opportunities.
- ★ Be proactive when dealing with your own security
