## **Classic vehicles, large trailers among vehicles up for bid April 18**

**COLUMBUS** – A 1948 Jeep truck, 1952 Studebaker and two large travel trailers lead the list of items on display at the next State Surplus Vehicle Auction on Saturday, April 18.

The auction will be held at the Ohio Department of Administrative Services, General Services Division headquarters, 4200 Surface Road, Columbus. The gates open at 8 a.m. and the auction begins at 10 a.m. The lot will remain open until 5 p.m. on the day of the sale.

Approximately 149 vehicles, including cars, SUVs, vans and trucks, will be up for bid at the auction. To view them, visit: <http://www.dasapps.ohio.gov/Surplus/nextauction.asp>.

Vehicles may be inspected between 8 a.m. and 3 p.m. Monday, April 13 through Friday, April 17. Vehicles may be started between 8 a.m. and 2:45 p.m. Friday, April 17.

All vehicles are sold “as-is” with no warranties. All vehicles must be paid for in full the day of the auction. Cash, credit and debit cards (Discover, MasterCard and Visa) are accepted. There is a 3 percent service fee on all credit and debit card transactions. Thirty-day temporary tags will be available for purchase on site the day of the auction for \$18 cash.

Surplus property auctions provide the general public an opportunity to purchase quality goods at reduced prices and enable the state to recoup a portion of its initial investment. Miscellaneous property and vehicle auctions generated more than \$4.2 million during fiscal year 2014.

Public auctions are the last step in the state's surplus program. State agencies declare property as surplus because it is either damaged or at the end of its life cycle for government use. In addition, property may include items seized by law enforcement officials as well as items contributed by airline passengers. The property is then made available to other state agencies, state higher education facilities, tax-supported agencies, municipal corporations and other political subdivisions of the state, including public schools. Remaining property is sold at the public auctions.
