150 vehicles, including BMW and Escalade, to be featured at Aug. 8 vehicle auction

COLUMBUS – Several sport utility vehicles, including a 2005 BMW X3 and 2004 Cadillac Escalade ESV, are among approximately 150 vehicles up for bid at the next State Surplus Vehicle Auction on Saturday, Aug. 8.

The auction will be held at the Ohio Department of Administrative Services, General Services Division headquarters, 4200 Surface Road, Columbus. The gates open at 8 a.m. and the auction begins at 10 a.m. The lot will remain open until 5 p.m. on the day of the sale.

Among the vehicles being auctioned off are five Ford Escapes, two Dodge Chargers and 24 Chevrolet Impalas as well as a wide assortment of vans and trucks. To view them, visit:

Vehicles may be inspected between 8 a.m. and 3 p.m. Monday, Aug. 3 through Friday, Aug. 7. Vehicles may be started between 8 a.m. and 2:45 p.m. Friday, Aug. 7.

All vehicles are sold “as-is” with no warranties. All vehicles must be paid for in full the day of the auction. Cash, credit and debit cards (Discover, MasterCard and Visa) are accepted. There is a 3 percent service fee on all credit and debit card transactions. Temporary 30-day tags are no longer available at State Surplus vehicle auctions. They may now be purchased at the Bureau of Motor Vehicles, which is located across the street from the Surface Road location.

Surplus property auctions provide the general public an opportunity to purchase quality goods at reduced prices and enable the state to recoup a portion of its initial investment. Miscellaneous property and vehicle auctions generated nearly \$3.5 million during Fiscal Year 2015.

Public auctions are the last step in the state's surplus program. State agencies declare property as surplus because it is either damaged or at the end of its life cycle for government use. In addition, property may include items seized by law enforcement officials as well as items surrendered to the TSA by airline passengers during security screening. The property is then made available to other state agencies, state higher education facilities, tax-supported agencies, municipal corporations and other political subdivisions of the state, including public schools. Remaining property is sold at the public auctions.
