COLUMBUS – A wide variety of electronic equipment and other items will be available for bid at the State of Ohio miscellaneous property auction Saturday, July 12.

The auction will be held at the Ohio Department of Administrative Services, General Services Division headquarters, 4200 Surface Road, Columbus, 43228. The doors open at 8 a.m.; the auction begins at 9 a.m.

Auction items include computer and other electronic equipment, office furniture and a wide variety of other items, including exercise equipment, lawn mowers, utility tools and army cots.

Inventory is subject to prior sale to governmental entities.

Purchased items must be paid for in full the day of the sale. Cash and credit cards are accepted. All methods of payment other than cash must be approved by the auctioneers, Cassel & Associates. All purchased items must be picked up by 3 p.m. Wednesday, July 16. Regular warehouse hours are 8 a.m. to 4 p.m. Monday through Friday. The warehouse is open until 6 p.m. on the day of the auction.

Surplus property auctions provide the general public an opportunity to purchase quality goods at reduced prices and enable the state to recoup a portion of its initial investment.

Public auctions are the last step in the state's surplus program. State agencies declare property as surplus because it is damaged or at the end of its life cycle for government use. In addition, property may include items seized by law enforcement officials as well as items contributed by airline passengers. The property then is made available to other state agencies, state higher education facilities, tax-supported agencies, municipal corporations and other political subdivisions of the state, including public schools. Remaining property is sold at the public auctions. DAS State and Federal Surplus Services collected revenues in excess of \$4.8 million during Fiscal Year 2014.
