Auction to feature electric cars, boats

COLUMBUS – Several boats and canoes as well as two GEM 72-volt electric cars are among the 173 vehicles available for bidding at the State of Ohio surplus auction Saturday, Feb. 25.

The auction will be held at the Ohio Department of Administrative Services, General Services Division headquarters, 4200 Surface Road, Columbus. The gates open at 8 a.m.; the auction begins at 10 a.m.

Other vehicles include 16 four-by-four trucks as well as a 2008 Triumph Bonneville 865cc motorcycle and a 1969 Oldsmobile 442.

To view the vehicles, please visit: <http://www.dasapps.ohio.gov/Surplus/nextauction.asp>.

Vehicles may be inspected between 8 a.m. and 3 p.m. Feb. 21 through 24. Vehicles, excluding motorcycles and the electric cars, may be started between 8 a.m. and 2:45 p.m. Friday, Feb. 24.

All vehicles are sold as-is with no warranties. All vehicles must be paid for in full the day of the auction. Thirty-day temporary tags will be available for purchase on site the day of the auction for \$18 cash.

Surplus property auctions provide the general public an opportunity to purchase quality goods at reduced prices and enable the state to recoup a portion of its initial investment. Miscellaneous property and vehicle auctions generated more than \$2.5 million last fiscal year.

Public auctions are the last step in the state's surplus program. State agencies declare property as surplus because it is damaged or at the end of its life cycle for government use. In addition, property may include items seized by law enforcement officials as well as items contributed by airline passengers. The property is then made available to other state agencies, state higher education facilities, tax-supported agencies, municipal corporations and other political subdivisions of the state, including public schools. Remaining property is sold at the public auctions.
