COLUMBUS – Various cars, cargo and passenger vans, sport utility vehicles and pickup trucks will be among about 45 vehicles available for purchase at the State of Ohio surplus vehicle auction Saturday, Feb. 7.

The auction will be held at the Ohio Department of Administrative Services, General Services Division headquarters, 4200 Surface Road, Columbus. The doors open at 8 a.m.; the auction will begin at 10 a.m.

To view the items, please visit <http://das.ohio.gov/gsd/propfac/surplus/nextauction.asp>.

Vehicles may be inspected from 8 a.m. to 3 p.m. Feb. 2 through 6. Vehicles may be started only from 8 a.m. to 2:45 p.m. Feb. 6. All vehicles are sold as is with no warranties. Thirty-day temporary tags will be available for purchase on site the day of the auction for \$10 cash.

A deposit of at least 25 percent of the total purchase price must be paid on the day of the auction with the remaining balance paid in full by 2 p.m. Monday, Feb. 9. Beginning July 1 no more partial payments will be accepted; all vehicles must be paid for in full the day of the auction.

All purchased vehicles must be removed from the auction site by Friday, Feb. 13.

Surplus property auctions provide the general public an opportunity to purchase quality goods at reduced prices and enable the state to recoup a portion of its initial investment. Miscellaneous property and vehicle auctions have generated nearly \$1.7 million to date during fiscal year 2009.

Public auctions are the last step in the state's surplus program. State agencies declare property as surplus because it is damaged or at the end of its life cycle for government use. The property is then made available to other state agencies, state higher education facilities, tax-supported agencies, municipal corporations and other political subdivisions of the state, including public schools. Remaining property is sold at the public auctions.
