RE: Establishment of Rental Rates for State-Owned Employee Housing Facilities

RESCISSION NOTICE

DAS Directive GS-D-03 was rescinded effective April 17th, 2015 and is no longer in effect.

The Directive had a low level of use among state agencies, and it has been determined that rate-setting will be done in accordance with section 124.15 of the Ohio Revised Code. The General Service Division will continue to provide guidance as needed to all state agencies. The rescinding of this Directive will simply provide greater flexibility in setting rental rates and establishing leasing arrangements with the limited pool of impacted state employees.

PURPOSE

The purpose of this directive is to establish the procedures for the rental rates of state-owned employee housing facilities.

GENERAL

The director of the Department of Administrative Services is responsible for determining the manner in which the actual costs of employee residential rents are to be calculated. Each state entity providing state-owned housing to employees shall determine the monthly rental rate for each employee for the fiscal year based on the following factors:

1. The cost of all maintenance based on past experience and anticipated increases over the biennium.
2. Utility charges, which are not paid directly by the occupant.
3. All taxes and assessments not otherwise exempted under sections 319.20 and 5709.08 of the Ohio Revised Code.
4. The term of all leases should coincide with the biennium, although the duration of leases may be shorter than the biennium.

DAS Directive

Directive No. **GS-D-03**

Effective Date: **09-01-2009**

Every lease agreement with an employee should specifically state that the employee is responsible for taxes and assessments, which may become due during the employee's occupancy.

The amount of monthly rent for each employee to be charged for the next fiscal year is to be submitted to Department of Administrative Services, Real Estate Services, General Services Division no later than 30 days prior to the end of the current fiscal year.

This directive supersedes any previously issued directive or policy and will remain effective until canceled or superseded.
