

EDGE Cross-Certification Programs

The EDGE (Encouraging Diversity, Growth and Equity) program administered by the Equal Opportunity Division of the Ohio Department of Administrative Services (DAS) offers cross certification with many government business assistance programs, including the State of Ohio's Minority Business Enterprise (MBE) program, which also is administered by the DAS Equal Opportunity Division.

The below programs have been approved for cross certification into the EDGE program. Please note: In addition to having one of the below listed certifications, the business owner(s) must meet the social and economic threshold requirements of the EDGE program as well as all requirements listed in Chapter 123:2-16 of the Ohio Administrative Code.
