

## EDGE Program Overview

Certified EDGE program participants are eligible for:

As its name suggests, the State of Ohio's EDGE program provides an EDGE to small businesses by Encouraging Diversity, Growth and Equity in public contracting. EDGE is an assistance program for economically and socially disadvantaged business enterprises.

The State of Ohio developed the program because it is committed to making all state contracts, services, benefits and opportunities available without discriminating on the basis of race, color, religion, sex, national origin, disability, age or ancestry.

The state recognizes the need to encourage, nurture and support the growth of economically and socially underutilized businesses to foster their development and increase the number of qualified competitors in the marketplace.

EDGE establishes goals for state agencies, boards and commissions in awarding contracts to certified EDGE-eligible businesses. EDGE applies to procurements of supplies and services, professional services, information technology services, construction and professional design services.
