

125.837 State alternative fuel officer.

The director of administrative services shall designate an employee within the department of administrative services as the state alternative fuel resource officer. The officer shall monitor federal activity for any federal action that affects this state in its use of motor vehicles that are capable of using an alternative fuel. In addition, the officer shall be available to all state departments and agencies to explain the laws that apply to the purchase of motor vehicles that are capable of using an alternative fuel, the laws governing alternative fuels, and any other relevant issues that relate to motor vehicles that are capable of using an alternative fuel, such as the locations of motor vehicle fueling facilities that sell alternative fuels.

If time and resources permit, the state alternative fuel resource officer may assist political subdivisions with any questions or issues relating to alternative fuels and to motor vehicles that are capable of using an alternative fuel.
