Customer Satisfaction Program 12B33

At Ford Motor Company, it has been our goal for more than 100 years to provide customers with high-quality, dependable products. In order to maintain these standards, Ford Motor Company is providing a no-charge Customer Satisfaction Program (Program Number 12B33) for your vehicle, with the Vehicle Identification Number shown above.

What is the issue?

On your vehicle, the Nitrogen Oxide (NOx) Sensor in the exhaust system may become inoperative and cause the Check Engine Light to turn on. If the NOx sensor is inoperative, engine power may be reduced under some conditions.

What will Ford and your dealer do?

In the interest of customer satisfaction, Ford Motor Company has authorized your dealer to reprogram your Powertrain Control Module (PCM) and NOx Sensor Module, and if necessary, replace your NOx Sensor free of charge (parts and labor) under the terms of this program.

This Customer Satisfaction Program will be in effect until April 30, 2013, regardless of mileage. Coverage is automatically transferred to subsequent owners.

How long will it take?

The time needed for this repair is less than one half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. In addition, your vehicle will require inspection prior to determining if parts need to be ordered.

What should you do?

Please call your dealer without delay and request a service date for Customer Satisfaction Program 12B33. Provide the dealer with the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions.

**What should
you do?
(Continued)**

Ford Motor Company wants you to have this service action completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this service action performed on a timely basis. Therefore, please have this service action performed as soon as possible.

**What if you no
longer own this
vehicle?**

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

**Can we assist
you further?**

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.
