

U.S. Bank is pleased to announce a variety of upcoming enhancements to Fleet Commander[®] *Online*. Below is a summary of changes that will go into effect **November 24, 2013**.

Reporting Updates/Revisions

- Two new marketing reports will be available:
 1. Customer Sales Report: summarizes information by product type
 2. Twelve-month Sales Report: summarizes sales by product over a 12 month period of time
- New Emergency Merchant Report: will show recent activity at merchant locations during a natural disaster in order to help customers find open locations
- Exception Report Update: driver and vehicle time of day/day of week will be added as well as the vehicle capacity and valid fuels

In addition to the above reporting updates, the below enhancements are important for you to be aware of:

- After self-registration or initiating a password change, users will need to log in to the site (currently no additional log in is required).
- A terminated driver's number can be reused. The system will prompt if the new driver being created will be using a terminated driver's number.
- The Organization Search function will provide a customer the ability to export a report based on Org Hierarchy.
- The Legal Entity name update will be reflected on all statements dated 11/24/13 and after.
- Fleet Commander[®] *Online* will support Internet Explorer versions 7, 8 and 9.

If you have any questions, please contact your U.S. Bank Relationship Manager or U.S. Bank Fleet Customer Service at 800-987-6591.

Thank you.
