

U.S. Bank is pleased to announce an enhancement to the Fleet Commander[®] *Online* Trans by Driver/Vehicle Report. Effective **September 29, 2013**, the year will be included in the Trans Date/Time column, making it easier to determine when each transaction was made.

If you currently use Internet Explorer 6 or 7, the Merchant Locator functionality will no longer work after September 29. Please contact your system administrator/IT center for assistance in upgrading your software to avoid any issues after this date.

If you have any questions, please contact your U.S. Bank Relationship Manager or U.S. Bank Fleet Customer Service at 800-987-6591.

Thank you.
