What is SAO College?

Sponsored by the State Architect's Office, SAO College educates interested parties on the proper design management and construction management of state projects. SAO College is attended annually by more than 200 participants, architects, engineers, contractors and construction managers throughout the State of Ohio.

PowerPoint Handouts

Click [here](#) or the link above to download the SAO College Fall 2009 PowerPoint handouts. SAO will not be providing these handouts at the events. However, we will be providing a program booklet that includes some pertinent forms and documents that relate to the presentations.

For those of you who like to follow along with the presentation slides using the printed handout, you will need to download and print the handouts and bring them with you to the event. We apologize for any inconvenience.

Continuing Education Credits

Each year SAO offers continuing education credits for those seeking credits from the ***American Institute of Architects (AIA)*** or the ***Ohio Construction Industry Licensing Board (OCILB)***.

Registered Architects:

This year SAO has been approved for up to 6.0 AIA credits for Health, Safety and Welfare (HSW) for the Cleveland and Cincinnati seminars and up to 7.0 AIA-HSW learning units for the Columbus seminar.

Contractors:

Up to 6.5 learning units are available for contractors through the Ohio Construction Industry Licensing Board (OCILB). For a list of courses approved by OCILB [click here](#).

Professional Engineers and Other Attendees:

All attendees will receive certificates of attendance for use with other professional organizations, such as the Society for Professional Engineers and the Society for Marketing Professional Services who do not require a formal approval process for continuing education providers.
