State of Ohio / State Architect's Office

Last Chance Seminar

(abbreviated one-day SAO College)

Friday, Dec. 28, 2007

SAO will conduct an abbreviated version of its popular SAO College event on Friday, Dec. 28, at its Columbus office, for those architects and engineers who find themselves in need of a few additional continuing education credits before the end of the biennial license renewal period.

A total of six seminars will be provided for a total of eight AIA Learning Units. Four of the classes also provide HSW (Health, Safety and Welfare) credit.

All training will be held at:
DAS General Services Division
Walnut Conference Room
4200 Surface Road
Columbus, Ohio 43228

Registration: Half hour before class start.

Parking: On site, west side of building. No cost.

Directions: Visit: <http://www.das.ohio.gov/gsd/directions.htm>

8 - 9:20 a.m. MasterFormat 2004 in Practice (\$15/person)

- Learn the various traditional ways MasterFormat 2004 is used in areas of practice beyond organizing specifications and project manuals.
- Learn how MasterFormat 2004 is used in non-traditional ways including a work breakdown structure for the state's Web-based project management system.
- Learn how a mandate for implementation has catalyzed MasterFormat 2004 adoption by the design and construction industry in the state of Ohio.

9:30 - 10:20 a.m. OAKS Capital Improvements (\$10/person)

- What is OAKS CI?
- How will OAKS CI affect future state projects?
- When will OAKS CI be implemented

10:30 - 11:50 a.m. Standard Requirements Overview (\$15/person)

- Find out how the new documents allow for better collaboration using CAD, BIM and Web-based project management and documenting sustainable design through the LEED program.
- Learn how the change order and dispute resolution processes have been streamlined.
- Learn how partnering and ADR can quickly resolve issues on construction projects.

1 - 2:20 p.m. Making the Short List (\$15/person)

- How to create appealing and informative qualification statements that will set your firm apart.
- How does the state score the rating forms.
- Update on the use of the Federal SF 330 Form.

2:30 - 3:20 p.m. EDGE for Capital Improvements (\$10/person)

- How a company becomes EDGE certified.
- Where to find other businesses with EDGE certification.
- How and when to submit a good faith effort.
- Reporting EDGE information.

3:30 - 4:50 p.m. Honey, I Shrunk the Utility Bills (\$15/person)

- What project delivery methods are available for state energy conservation projects.
- How can your organization get involved in this growing area of public construction.
- Overview of legislation (House Bill 251).

Full day 8 a.m. - 5 p.m. (\$75/person)

We recommend that you print this page before sending your request. A confirmation e-mail will be sent to the above e-mail address.
