Office of the State Architect / Columbus, Ohio September 2004

Inside this issue:

1. Address and Security at ODNR
2. SAO College Fall Semester 2004
3. Suggestion Box
4. Link to the September 2004 Ohio Register

1. Address and Security at ODNR

The Ohio Department of Natural Resources (ODNR) has a new mailing address. The address has been changed due to a new entrance road and security building that has been built adjacent to the existing entrance off Morse Road. The physical location of the office has remained unchanged. The department's new mailing address is: Ohio Department of Natural Resources, Division of Engineering, 2045 Morse Road, Building F-3, Columbus, Ohio, 43229-6605.

The department is in the process of revising their documents to reflect the new address. Mail sent to the old address (1889 Fountain Square Court, Building F-3) will be forwarded to the new address for the next 12 months. Please plan accordingly so that time-sensitive items, such as construction bids and consultant statements of interest can reach the location in the time designated.

The department's new security building will become fully operational within the next four months. There will be new procedures governing public access to the offices. Visitors may have to allow extra time for the hand delivery of time-sensitive items. All visitors will be required to check in at the security building before entering the ODNR campus.

2. SAO College - Fall Semester

The fall semester of SAO College will be held Monday, Oct. 25 from 8 a.m. to 3:30 p.m. at the Marriott Northwest in Dublin, Ohio. Registrations for SAO College are due Oct. 20. The seminar will be useful for those working on state design and construction projects and will cover a variety of topics, including closeout activities, scheduling, payment request forms, interview tips and information on the LEED program.

For more information about SAO College, go to: <http://www.gsd.das.state.oh.us/sao/saoregistration.htm> or contact Tiffany Plasencio at tiffany.plasencio@das.state.oh.us.

3. Suggestion Box

Your comments and suggestions about our SAO College seminars are important to us. If there is a topic you would like addressed at the February seminar, which will be held at the Ohio Design and Construction Expo, or have any other suggestions or comments, please share your ideas with Tiffany Plasencio at tiffany.plasencio@das.state.oh.us.
