# WHAT IS THE COST-PER-COPY (CPC) PROGRAM ?

The DAS State Printing and Mail Services Cost-Per-Copy Program (CPC) was designed to bring the latest in print device technology to state of Ohio agencies and properly registered members of the Cooperative Purchasing Program. This managed program eliminates the hassles of print device procurement, ensures quality products supported by excellent print management and contractor service, and secures an attractive cost-per-copy price that remains fixed for three years. Cost per copy/print maximizes savings by combining the equipment, services and supplies (except paper and staples) into one low cost. Some of the program highlights include:

- **Pay only for impressions made monthly**
- **No monthly maintenance payments**
- **No monthly lease/rental payments**
- **Customer only supplies paper and staples**
- **Tracking usage and cost much easier**
- **Only one form to complete**
- **A4 machines to reduce your monthly payments on lower volume machines**

The cost-per-copy price includes all costs associated with the administration of the service, including, but not limited to: delivery, installation; training; dedicated technician(s); all operating supplies needed for the machines including toner, developer, fuser oil, connectivity equipment and software; etc. (paper and staples are the only exceptions); delivery of supplies and removal of the equipment upon termination of the contract and/or authorized moves during the contract. The cost per-copy price shall also include all maintenance and repairs, labor, parts, test copies, travel time, mileage and any other expense required to maintain the equipment in proper working condition.

Administered by DAS Office of State Printing and Mail Services, the CPC Program will make every effort to ensure that the placement of print devices by volume classification is directly related to the estimated average monthly volume of copies produced at a given location.

# NEEDS ASSESSMENT

Before selecting a print device, assess your needs and make some preliminary decisions regarding the machine you'll be getting.

- Volume: What is the monthly volume on your present machine or your estimated monthly volume if you are not replacing an existing machine?
- Accessories: What accessories do you need; such as a large capacity drawer, scan kit or fax?
- Single or Multi-Function: Do you also want your copier to scan/copy/fax?
- Networking: Will your machine be networked?
- Copy speed: The following page shows a recommended guide for machine speeds comparable with monthly volume ranges.
- Consolidation: Are you consolidating print assets? Consult with CPC Program Manager about Print Management Program.

## CPC PROCUREMENT PROCESS

- Identify your document needs.
- Determine which category is suited for your office environment.
- Select the brand and model.
- Complete the Memorandum of Understanding (MOU).
- Email or fax to Carl Brugger at [carl.brugger@das.ohio.gov](mailto:carl.brugger@das.ohio.gov) or 614-644-5799.
- After review and DAS signature, a copy of the MOU will be sent to you and the selected contractor.
- The contractor will call your contact person (listed on MOU) to discuss delivery, training, networking, etc. See the bottom of the MOU for delivery requirements.
- The contractor will bill State Printing and Mail Services on a quarterly basis. State Printing will bill your state agency via ISTV on a quarterly basis.

## AUTHORIZED AGENCY SIGNATURE

### **By signing the MOU, you agree:**

1. The state agency receiving this equipment for use acknowledges and agrees that they are fully responsible for payment of the services under this agreement.
2. The state agency receiving this equipment for use acknowledges that the term of the contract is for three (3) years.
3. The state agency receiving this equipment for use further acknowledges that should they opt out of this contract prior to the fulfillment of the three (3) year contract period, they will be required to pay the amount equal the monthly minimum cost per copy usage for the remaining months of the three (3) year contract. The state agency agrees to the payment of these additional costs should they terminate this agreement prior to the three (3) year period.
4. The state agency receiving this equipment for use acknowledges that the cost per copy price is based on a minimum monthly usage and that failure to use the machine to this minimum usage will result in a reduced savings.
5. The state agency receiving this equipment agrees to notify the Copier Program Manager when the contact and/or meter read person listed on the MOU changes.

# MULTI-FUNCTION PRINT DEVICES

The multi-function print devices listed in Categories 1 – 11 are the fifth generation product of the Cost-Per-Copy program offered by DAS. The base machine in each of these categories offers networking and scan capabilities without the additional accessory costs. All are fully digital, meaning every image is scanned electronically and printed as an original copy.

Your base CPC cost for all services (including maintenance), except paper and staples can be found in the CPC brochure. For accessory pricing, click on the model number in the CPC brochure, or go to <http://ohio.gov/procure>. Click on forms, and then select Cost-Per-Copy Program. This will direct you to the State Printing and Mail Services website where you will find the Memorandum of Understanding (MOU) and the Accessory Lists.

After making your selection, complete the MOU which is the only document required to order a CPC machine.

For questions or assistance, contact  
Carl Brugger, DAS/GSD Office of State Printing and Mail Services  
State Purchasing Assistant at [carl.brugger@das.ohio.gov](mailto:carl.brugger@das.ohio.gov)

Multi-Function Print Devices will be placed as a result of the evaluation process and based on the requesting agency's requirements.
