**Re:** FY 2016 Commercial Printing Rate

---

This memorandum serves to communicate OBM's formal approval of the FY 2016 rate for commercial printing. OBM approves DAS's request to reduce the rate by two-thirds from 6.75% to 2.39%. This is possible because of bringing LOT into this rate pool as a direct customer, which increases volume more than fourfold. As a result, all commercial printing customers benefit from a dramatically reduced rate.
