Re: Fiscal Year 2017 (FY17) Service Rates

---

The Department of Administrative Services, State Printing and Mail Services, has received OBM's approval of our fiscal year 2017 service rates.

Commercial Printing rate has been approved for an increase from 2.39% to 4.58%.

Copy Center's in-house document printing for Black & White and Color rate will remain the same at \$0.06 and \$0.15 per single image with reduced tiered pricing for higher quantities.

Fulfillment Services rate will increase from \$0.045 to \$0.054 for inserting (rate for insertion \$0.054 and envelope \$0.02 = \$0.074) for FY17.

Mainframe Printing Services rates will receive a small increase for Black & White high speed continuous printing from \$0.016 to \$ 0.017.
