Important Information for Plan Year 2016

Participants may contribute no more than \$2,500 to their Health Care Spending Account. Keep this in mind when you are estimating your health care expenses for the 2016 plan year. Remember that the limit is per employee, so if you have a spouse with a Health Care Spending Account, they can contribute up to \$2,500 in their account as well, even if you both work for the State of Ohio.

A new rule now allows for a minimum of \$50 and a maximum \$500 of your remaining year-end Health Care Spending Account balance to be carried over to the next plan year.

Your Open Enrollment is:

October 19 to October 30, 2015.

Your Period of Coverage is:

January 1 to December 31, 2016.

Flexible Spending Accounts

There are two types of accounts: Health Care Spending Account (HCSA) and Dependent Care Spending Account (DCSA). A Flexible Spending Account (FSA) is an account set up to reserve money for your anticipated, eligible medical services and medical supplies that are not normally paid by your insurance, or for eligible dependent care expenses.

Your FSA funds are deducted before federal and state taxes are calculated on your paycheck.

With either FSA, you benefit from having less taxable income in each of your paychecks, which means more spendable income to use toward your eligible medical and dependent care expenses.

Once you decide how much to contribute to your HCSA and/or DCSA, the amount is deducted in equal amounts for the first **24 pay periods** of the calendar year or 12 pay periods if you are paid monthly.

FSA Savings Example*

	<i>(With FSA)</i>	<i>(Without FSA)</i>
Annual Gross Income	\$31,000.00	\$31,000.00
FSA Deposit for Eligible Expenses	<u>- 2,500.00</u>	<u>- 0.00</u>
Taxable Gross Income	\$28,500.00	\$31,000.00
Federal Taxes	<u>- 5,874.92</u>	<u>- 6,401.50</u>
Annual Net Income	\$22,625.08	\$24,598.50
Cost of Eligible Expenses	- 0.00	- 2,500.00
Spendable Income	\$22,625.08	\$22,098.50

By using an FSA to pay for anticipated recurring expenses, you convert the money you save in taxes to additional spendable income. That's a potential annual savings of **\$526.58!**

Budget conservatively. While you can now carry over a minimum of \$50 and a maximum of \$500 of your Health Care Spending Account, no reimbursement or refund of Health Care Spending Account or Dependent Care Spending Account funds is available for services that do not occur within your plan year.

*** Based upon a 20.65% tax rate (15% federal) calculated on a calendar year.**

Health Care Spending Account

HCSA Eligibility

Your HCSA may be used to reimburse eligible expenses incurred by you, your spouse, your qualifying child or a qualifying relative. **For more information, please go to: www.wageworks.com.**

Note: There is no age requirement for a qualifying child if they are physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish an HCSA. Only the custodial parent of divorced or legally-separated parents can be reimbursed using the DCSPA.

Health Care Spending Account

Eligibility: Permanent full-time and permanent part-time **employees who have successfully completed their initial probationary period (if applicable)** and have sufficient pay to cover the election amount may enroll in an HCSA. Enrollment must occur within **31** days of eligibility or during the open enrollment period.

A HCSA is used to pay for eligible **medical expenses** which aren't paid for by your insurance or other plan. These expenses can be incurred by you, your spouse, a qualifying child or relative. Your full annual contribution amount is available at the beginning of the plan year, so you don't have to wait for the money to accumulate.

Annual Health Care Spending Account Limits:

Minimum Annual Deposit: \$240

Maximum Annual Deposit: \$2,500

Minimum Carryover: \$50
Maximum Carryover: \$500

Carryover

You may carryover a minimum of \$50 and a maximum of \$500 from one plan year to the next. This means that if you have \$50 and up to \$500 remaining in your Health Care Spending Account

on December 31, 2016, you can transfer that amount to the 2017 plan year. Please visit www.wageworks.com for more information regarding carryover.

Health Care Spending Account Fund Availability:

Once you sign up for a Health Care Spending Account and decide how much to contribute, the maximum amount of your annual contribution will be available for reimbursement of eligible health care expenses throughout your period of coverage.

Since you don't have to wait for the cash to accumulate in your account, you can use it to pay for your eligible health care expenses at the start of your deductions.

NOTE: For employees on a bi-weekly pay schedule, deductions will be taken from the first 24 pay periods of the calendar year.

Dependent Care Spending Account

DCSA Eligibility

You may use your DCSA to receive reimbursement for eligible dependent care expenses for qualifying individuals. **For more information, please go to: www.wageworks.com.**

Note: There is no age requirement for a qualifying child if he/she are physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish an HCSA. Only the custodial parent of divorced or legally-separated parents can be reimbursed using the DCSA.

Dependent Care Spending Account

Eligibility: Permanent full-time and permanent part-time employees who have a qualifying dependent(s). Enrollment must occur within **31** days of eligibility or during the open enrollment period.

The DCSA is a great way to pay for eligible **dependent care expenses** such as after-school care, baby-sitting fees, day care services, elder care expenses, nursery and preschool. Eligible dependents include your qualifying child, spouse and/or relative.

Dependent Care Spending Account Fund Availability:

Once you sign up for a Dependent Care Spending Account and decide how much to contribute, the funds available to you depend on the actual funds in your account. Unlike a Health Care Spending Account, the entire maximum annual amount is not available during the plan year, but rather after your payroll deductions are received.

Annual Dependent Care Spending Account Limits:

Minimum Annual Deposit: \$240

Maximum Annual Contribution: Depends on Your Tax Filing Status.

- ▶ If you are married and filing separately, your maximum annual deposit is \$2,500.

- ▶ If either you or your spouse earn less than \$5,000 a year, your maximum annual deposit is equal to the lower of the two incomes.
- ▶ If your spouse is a full-time student or incapable of self-care, your maximum annual deposit is \$2,500 per year for one dependent and \$5,000 per year for two or more dependents.

Carryover does not apply to DCSA.

NOTE: For employees on a bi-weekly pay schedule, deductions will be taken from the first 24 pay periods of the calendar year.

Typical DCSA-Ineligible Expenses:

- ▶ books and supplies
- ▶ child support payments or child care if you are a non-custodial parent
- ▶ health care or educational tuition costs

Eligible dependent care expenses

Your DCSA typically covers expenses that allow you to work such as:

After-school care
Baby-sitting fees
Day care services
In-home care/au pair services
Nursery and preschool
Summer day camps

Flexible Spending Accounts

Using Your FSA Dollars

When you pay for an eligible health care or dependent care expense, you want to put your FSA to work right away. WageWorks gives you several options to use your money the way you choose.

Using your WageWorks® Health Care Card

Use your WageWorks Health Care Card (Card) instead of cash or credit at health care providers and pharmacies for eligible services, goods and prescriptions. You can also use the Card at general merchants and drug stores that have an industry standard (IIAS) checkout system that can automatically verify if the item is eligible for purchase with your account.

- ▶ Go to: www.sigis.com to review a list of qualified merchants, like drug stores, supermarkets and warehouse stores, that accept the Card.
- ▶ When you swipe your Card at the checkout, choose “credit” (even though it isn’t a credit card).
- ▶ Pay for services or purchases on the same day you receive them, such as copays, by presenting your health plan member ID card first, so the merchant can identify your co-pay or coinsurance amount and ensure the service is claimed to your health care, dental, or vision insurance plan.
- ▶ Save your receipts or digital copies. You will need them for tax purposes. Plus, even when your Card is approved, a detailed receipt may still be requested.
- ▶ If you’ve lost or can’t produce a receipt for an expense, your options may range from submitting a substitute receipt to repaying your FSA account for the amount of the transaction.
- ▶ If you use your Card at an eye doctor’s or dentist’s office, we will most likely ask you to submit an Explanation of Benefits (EOB) or other documentation for verification. Failure to do so will result in your Card being suspended.
- ▶ If you lose your Card, please call WageWorks immediately and order a new one. You will be responsible for any charges until you report the lost Card. For more information see “About Your Card” on the next page.
- ▶ **Be sure to only use your card for payment of purchases or services received in the current plan year.**

Using a Smartphone

With the EZ Receipts mobile app from WageWorks, you can file and manage your reimbursement claims and Card usage paperwork on the spot, with a click of a smartphone camera, from anywhere.

- ▶ Submit the image and details to WageWorks.

Paying online

Filing a claim

You can also file a claim online to request reimbursement for your eligible expenses.

| ✓ Detailed description | ✓ Patient portion or amount owed |
| ✓ Provider or merchant name | |

Most claims are processed within one to two business days after they are received, and payments are sent shortly thereafter. For assistance, visit: www.wageworks.com/techtips.

If you prefer to submit a paper claim by fax or mail, log into your account at: www.wageworks.com to download a Pay Me Back claim form and follow the instructions for submission.

WageWorks Health Care Card

About Your Card

While your WageWorks Health Care Card and account offer a great deal of convenience, both are regulated by IRS rules that all participants are required to follow. In most instances, you will be able to use your Card with little or no inconvenience. **There are, however, situations where the Card will be declined or you will be required to submit receipts and/or other documentation to verify that the item or service purchased was eligible.**

How To...

Use your Card

You can use your Card for:

- 1) For eligible goods and services at health care providers and select pharmacies within the current plan year.
- 2) Eligible over-the-counter (OTC) non-drug items at general merchandise stores (including most drugstores) that have an industry standard (IIAS) inventory and checkout system
- 3) Prescribed OTC drugs at the pharmacy counter, as long as the drug is dispensed as a valid prescription.

Go to: www.wageworks.com/healthcarereform to learn more about the OTC drug prescription requirement. In most instances, your Card transaction will be verified at checkout, which means you will not have to submit a receipt to WageWorks after the transaction. **You are, however, required to keep each receipt for tax purposes, and in the event it is needed for verification.**

Before shopping for prescriptions and over-the-counter items, always visit: www.sigis.com for a list of merchants that have an IIAS system in place.

Use your Card at the doctor or other health care provider

If you use the Card at a health care provider or at a pharmacy that does not have an IIAS system, WageWorks will likely require that you submit a receipt or your health insurance explanation of benefits (EOB) to verify that the transaction was for an eligible health care expense or service.

Verify a Card transaction after the purchase

If WageWorks is unable to determine that your Card was used to pay for eligible health care products and services, you will need to take the following action to verify the transaction:

- ▶ Log into your account at: www.wageworks.com
- ▶ Select Claims & Activity tab at the top
- ▶ Click on the "Submit Receipt or Claim" button on the left-hand side of the page
- ▶ Select the unverified transaction
- ▶ Scan and upload the corresponding receipt and/or documentation

If you have lost or misplaced the receipt, you can submit a substitute receipt of equivalent value or repay your account.

Make sure your receipts meet the requirements for verification

In order for the receipt (or any documentation) to be valid, it must include all specific pieces of information required by the IRS:

- ▶ Patient name
- ▶ Provider name
- ▶ Date of service
- ▶ Type of service
- ▶ Amount charged or your cost (e.g. your deductible or co-pay amount or the portion not covered by your insurance)
- ▶ Prescription number (OTC prescription drugs). If not included, a copy of the prescription must accompany the receipt. Receipts must be dated within the plan year.

Quick Tips

Log into your account at: www.wageworks.com regularly to see if you have any Card transactions in need of verification.

If you have a Card transaction that requires verification, you will be notified immediately on the Welcome page upon login and via email. Remember to also monitor the Statement of Activity page for pending transactions, as it can take up to three weeks to verify a purchase. If a pending transaction cannot be verified, the Status will update to "Receipt Needed."

Avoid problems: Act quickly to resolve all unverified transactions.

You have 90 days from the date of the transaction to take care of any outstanding unverified purchases. If you do not take action within 90 days:

1. The amount of any outstanding unverified Card transactions may be deducted from your next Pay Me Back claim submission.
2. Your Card will be suspended.

If your Card is suspended, it will be reactivated within 24 – 48 hours after receipts or repayment have been processed for all unverified Card transactions.

Know when a Card transaction needs to be verified

WageWorks will notify you of any Card transactions that require attention by email and when you log into your account.

FSA Worksheets

Use the worksheets below to determine how much to deposit in your FSA. Calculate the amount you expect to pay during the plan year for eligible, uninsured out-of-pocket medical and/or dependent care expenses. This calculated amount cannot exceed established IRS and plan limits (\$2,500 for a Health Care Spending Account, refer to page 6 for the Dependent Care Spending Account amounts).

Be conservative in your estimates. Only \$50 and up to \$500 of the remaining year-end balance of your Health Care Spending Account may be carried forward to the next plan year. Please remember the carryover does not apply to the Dependent Care Spending Accounts.

Changing Your Coverage

Within **31 days** of a qualifying event, you must submit an Enrollment or Change in Status (CIS) Form and supporting documentation to WageWorks. Upon the approval of your election change request, your existing FSA(s) elections will be stopped or modified (as appropriate). However, if your FSA election change request is denied, you will have **60 days**, from the date you receive the denial, to file an appeal. The State of Ohio permits changes in coverage to be made between January 1 and September 30.

Changes in Status:

Marital Status

A change in marital status includes marriage, death of a spouse, divorce or annulment (legal separation is recognized under the State of Ohio's plan per Ohio law).

Change in Number of Tax Dependents

A change in number of dependents status includes the following: birth, death, adoption and placement for adoption. You can add existing dependents not previously enrolled whenever a dependent gains eligibility as a result of a valid CIS event.

Change in Status of Employment Affecting Coverage Eligibility

Change in employment status of the employee, or a spouse or dependent of the employee, that affects the individual's eligibility under the State of Ohio's plan, including commencement or termination of employment.

Gain or Loss of Dependents' Eligibility Status

An event that causes an employee's dependent to satisfy or cease to satisfy coverage requirements under the State of Ohio's plan. May include change in age, student, marital, employment or tax dependent status.

Change in Residence¹

A change in the place of residence of the employee, spouse or dependent that affects eligibility to be covered under the State of Ohio's plan, including moving out of an PPO service area.

Some Other Permitted Changes:

Coverage and Cost Changes¹

The State of Ohio may permit election changes due to cost or coverage changes. You may make a corresponding election change to your Dependent Care Spending Account benefit whenever you actually switch dependent care providers. However, if a relative (who is related by blood or marriage) provides custodial care for your eligible dependent, you cannot change your salary reduction amount solely on a desire to increase or decrease the amount being paid to that relative.

Open Enrollment Under Other Employer's Plan¹

You may make an election change when your spouse or dependent makes an Open Enrollment Change in coverage under their employer's plan if they participate in their employer's plan and:

- ▶ the other employer's plan has a different period of coverage (usually a plan year) or
- ▶ the other employer's plan permits mid-plan year election changes under this event.

Judgment/Decree/Order²

If a judgment, decree or order from a divorce, legal separation (as recognized under the State of Ohio's plan), annulment or change in legal custody requires that you provide accident or health coverage for your dependent child (including a foster child who is your dependent), you may change your election to provide coverage for the dependent child. If the order requires that another individual (including your spouse and former spouse) covers the dependent child and provides coverage under that individual's plan, you may change your election to revoke coverage only for that dependent child and only if the other individual actually provides the coverage.

Medicare/Medicaid²

Gain or loss of Medicare/Medicaid coverage may trigger a permitted election change.

Health Insurance Portability and Accountability Act of 1996 (HIPAA)

If your employer's group health plan(s) are subject to HIPAA's special enrollment provision, the IRS regulations regarding HIPAA's special enrollment rights provide that an IRC § 125 cafeteria plan may permit you to change a salary reduction election to pay for the extra cost for group health coverage, on a pre-tax basis, effective retroactive to the date of the CIS event, if you enroll your new dependent within 31 days of one of the following CIS events: birth, adoption or placement for adoption. Note: A Health Care Spending Account is not subject to HIPAA's special enrollment provisions if it is funded solely by employee contributions.

Family and Medical Leave Act (FMLA) Leave of Absence

Election changes may be made under the special rules relating to changes in elections by employees taking FMLA leave.

Notes:

1 Does not apply to a Health Care Spending Account plan.

2 Does not apply to a Dependent Care Spending Account plan.

COBRA for Health Care Spending Accounts

What is continuation coverage?

Federal law requires that most group health plans, including Health Care Spending Accounts (HCSAs), give employees the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under the State of Ohio’s plan.

How long will continuation coverage last?

For Health Care Spending Accounts:

If you have unspent contributions in your Health Care Spending Account, you may continue your Health Care Spending Account (on a post-tax basis) only for the remainder of the plan year in which your qualifying event occurs. However, if you have already used or been reimbursed more than you have contributed, you cannot continue the Health Care Spending Account under COBRA.

Contributions greater than claim reimbursements/card use:

For example, if you elected a Health Care Spending Account benefit of \$1,000 for the plan year, contributed \$300 pre-tax dollars and have received \$100 in card use/claims reimbursements, COBRA coverage allows you to continue your Health Care Spending Account for the remainder of the plan year or until such time that you receive the maximum Health Care Spending Account benefit of \$1,000.

Contributions less than claim reimbursements /card use:

For example, if you elected a Health Care Spending Account benefit of \$1,000 for the plan year, contributed \$300 pre-tax dollars and have received \$600 in card use/claims reimbursements, COBRA coverage does not allow you to continue your Health Care Spending Account for the remainder of the plan year.

For More Information

This COBRA section does not fully describe continuation coverage or other rights under the Plan. For more information about your COBRA rights, the Health Insurance Portability and Accountability Act (HIPAA) and other laws affecting group health plans, contact the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website, at: www.dol.gov/ebsa.

Keep Your Address Updated

In order to protect your family’s rights, you should inform your employer and WageWorks of any changes in your address. You should also keep a copy, for your records, of any notices you send to your employer and WageWorks.

Terminate Employment

If you terminate your employment or retire, you can continue certain HCSA benefits by calling WageWorks Customer Service at 1-877-502-6272, Monday–Friday, 8 a.m.–8 p.m. or visit www.wageworks.com. According to federal and state law, you can continue coverage if you terminate employment or have certain other Qualifying Events under COBRA. You will be notified of your rights and any containable benefit you may have after WageWorks has been notified of your qualifying event or termination.

If you choose not to enroll in COBRA, your benefits will terminate at the end of the month in which the event occurred. You will have 90 days to file any additional claims to your account. Any unclaimed funds will be forfeited according to IRS regulations.
