Dear State of Ohio Member:

As your pharmacy benefits manager, **Catamaran wants to help you get the most value from your prescription benefits.** We are committed to giving you the information you need to make the best decisions regarding the prescriptions you take.

We want you to know about some upcoming changes to your prescription drug plan for non FDA approved products beginning October 1, 2015.

Non FDA Approved Products

There are prescription products available to consumers without undergoing the FDA approval process for safety and efficacy. These products offer little clinical value versus other well-tested, FDA-approved agents. The non FDA approved products in the chart below will no longer be covered under your benefit plan:

ADAZIN CREAM	MAC PATCH	PROVENZA PAD	SCAR PATCH PAD
CAPSIDERM PAD	MEDI-DERM/L- CRE RX	QROXIN PAD	SILVERA PAIN PAD
CAPTRACIN PAD	MEDI-PATCH PAD RX	RECIPHEXAMIN DIS	SINELEE PAD
CETACAINE AER	MENTHOCIN/LICOCAIN PAD	RELEEVIA PAD	SOLAICE PAD
ELENZAPATCH DIS	NEUVAXIN PAD	RELYYKS PAD	SYNVEXIA PAD
LEVATIO PAD	PAIN RELIEF PAD	RELYYT DIS	VELMA PAD
LIDODEXTRAPI PAD	PERMAVAN PAD	REMAXAZON PAD	VEXA PAD
LORENZA PAD	PROLIDA PAD	RENOVO PAD	ZERUVIA PAD

We encourage you to contact your doctor to discuss the plan changes and the impact they may have on your prescriptions. We are giving you early notification of these changes so you have time to contact your doctor and obtain new prescriptions, if needed.

What if I have more questions?

We want to make sure you understand the actions that you can take to receive the highest level of benefit coverage for your medications.
