

## Coming this fall ... enhanced myOhio.gov

This online gateway will combine a state employee's important business functions and self service resources in one, user-friendly website. The *myOhio.gov* website will provide employees with:

- Quick access to news, including your benefit and wellness program information
- Single login to all OAKS applications, including quick access to your pay statement

myOhio

*One password.  
One sign-on.  
One great idea!*

### Smoking cessation prescription notice

**Beginning July 1, 2011, all prescriptions for Chantix® (smoking cessation) will require prior authorization. For prior authorization, you or your doctor may call Catalyst Rx customer service at 866.854.8850. Note: the prior authorization requirement will not apply to current users of Chantix®.**

### Nurse Advice Line

**Free help** when you need it! Have you ever wondered whether you need to go to the emergency room, an urgent care or your family doctor? Not sure what to do about your child's fever or symptoms? The APS Healthcare Nurse Advice Line can assist you. Don't be left wondering, call the APS Healthcare Nurse Advice Line at 1.866.272.5507, Option 3. This free service is available to you and your family 24 hours a day, 7 days a week.
