**April 15, 17 (evening), 18, 19 and 22 (evening)**

The weird and wonderful family comes to devilishly delightful life in *The Addams Family*. This magnificently macabre new musical comedy is created by Jersey Boys authors Marshall Brickman & Rick Elice, Drama Desk-winning composer/lyricist Andrew Lippa (*The Wild Party*), choreographer Sergio Trujillo (*Jersey Boys*) and Olivier Award-winning director/designers Phelim McDermott & Julian Crouch (*Shockheaded Peter*) with creative consultation by four-time Tony Award® winner Jerry Zaks. This is definitely not the same old song and dance. It's every parent's nightmare. Your little girl has suddenly become a young woman, and what's worse, has fallen deliriously in love with a sweet, smart young man from a respectable family. Yes, Wednesday Addams, the ultimate princess of darkness, has a "normal" boyfriend, and for parents Gomez and Morticia, this shocking development will turn the Addams house upside up. It's a family portrait that's completely off the wall.

**Tickets are \$10 - \$39 (Save up to \$5 per ticket)**

In this new production for North America, athletic bodies and contemporary costumes meet explosive Taiko drumming and innovative choreography in a show that has critics waxing lyrically about TAO's extraordinary precision, energy, and stamina. With hundreds of sold-out shows and more than a million spectators, TAO has proven that modern entertainment based on the traditional art of Japanese drumming, has massive international appeal. The stars of TAO live and train at a compound in the mountains of Japan, reaching the highest level of virtuosity only after years of intensive study. The performers each bring nontraditional flair to the group by drawing on their diverse backgrounds: one as a hard rock musician, another a gymnast, and yet another as a composer. They offer a young and vibrantly modern take on a traditional art form.

Described by the New York Post as "fascinating, rewarding and above all, entertaining," and by the Los Angeles Times as "a showpiece extravaganza," **Michael Flatley's Lord of the Dance** is a mesmerizing blend of traditional and modern Celtic music and dance. The story is based upon mythical Irish folklore as Don Dorcha, Lord of Darkness, challenges the ethereal lord of light, the Lord of the Dance. Battle lines are drawn, passions ignite and a love story fueled by the dramatic leaps and turns of dancers' bodies begins to build against a backdrop of Celtic rhythm. The action is played out over 21 scenes on a grand scale of precision dancing, dramatic music, colorful costumes and state-of-the-art staging and lighting.
