

Learning in Demand

Ohio's e-Learning Resource

November 2016 **Spotlight**

Spotlight Topic of the Month Employee Engagement

An engaging organization depends on an engaged workforce – but different employees are inspired in different ways. However, with the proper tools, understanding and the right strategies, managers can foster a workplace that helps employees become more engaged with the organization.

**Employee Engagement =
Connection**

**Maintaining an Engaging
Organization**
Course: 1 Hour

Assessment Questions:

After completing these selections, you should be able to answer the following questions.

- Do employees understand the agency's mission statement and feel that they contribute to it?
- What are some of the behaviors that illustrate an engaged leader?
- What strategies are good engagement drivers?
- How can managers drive employee engagement to higher levels?
- How do you assess your level of engagement and commitment?
