Teaming: How Organizations Learn, Innovate, and Compete in the Knowledge Economy

Featuring Amy C. Edmondson
Skillsoft Ireland Limited

In this talk, Edmondson shows that organizations learn when the flexible, fluid collaborations they encompass are able to learn. The problem is teams, and other dynamic groups, don't learn naturally. Edmondson outlines the factors that prevent them from doing so, such as interpersonal fear, irrational beliefs about failure, groupthink, problematic power dynamics, and information hoarding.
