

**Encouraging and Sustaining Innovation in Government: Technology and Innovation in the Next Administration** by Beth Simone Noveck and Stefaan Verhulst

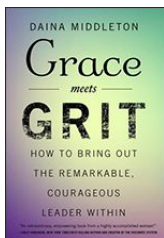

The Center for The Business of Government © 2016 (40 pages)  
Leveraging the insights from the experts who participated in a day-long discussion, this book explains how government can improve its use of digital technologies to create more effective policies, solve problems faster and deliver services more effectively.

**Made for Success** © 2016 (185 pages)

ISBN: 9781613398388

Witty and straightforward, this book is a refreshing eye-opener for women trying to thrive in life but struggling to keep up with the myths, lies and half-truths surrounding success that women have to face head-on every day.

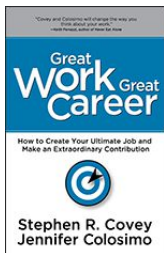

**Grace Meets GRIT: How to Bring Out the Remarkable, Courageous Leader**

Within by Daina Middleton

Bibliomotion © 2016 (225 pages)

ISBN: 9781629561394

Navigating the previously unexplored subject of gender differences in the workplace specifically applied to critical leadership behaviors, this book shows how to compensate for your innate style by "dialing up" leadership qualities you may not naturally possess.

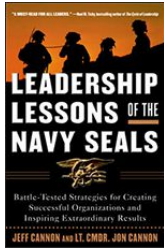

**Great Work Great Career: How to Create Your Ultimate Job and Make an Extraordinary Contribution** by Stephen R. Covey and Jennifer Colosimo

Mango Media © 2014 (156 pages)

ISBN: 9781633532175

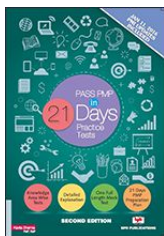

Whether you're looking for a job or want to make the job you have more meaningful, this book is full of indispensable advice and tools that can help you find that great job and beyond that, a whole career.

Leadership Lessons of the Navy SEALs: Battle-Tested Strategies for Creating Successful Organizations and Inspiring Extraordinary Results by Jeff Cannon and Jon Cannon  
McGraw-Hill © 2003 (241 pages)

ISBN: 9780071408646

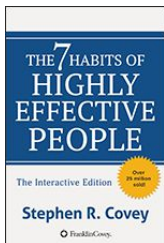

Analyzing the leadership and team-building techniques and strategies of elite Navy SEAL units, this no-nonsense book guides business leaders and managers in creating, training, and leading teams that are extraordinarily successful at carrying out the company's mission.

Pass PMP in 21 Days: Practice Tests by Kavita Sharma  
BPB Publications © 2016 (188 pages)

ISBN: 9788183335034

With mock tests based on PMP requirements, this book will help you understand the concepts by explaining the rationale behind each answer so you can apply that knowledge to the exam and pass it with ease.

The 7 Habits of Highly Effective People, Interactive Edition by Stephen R. Covey

Mango Media © 2015 (432 pages)

ISBN: 9781633533103

Commemorating the timeless wisdom and power of the 7 Habits book, this edition is presented in a highly readable and understandable, interactive format so you can enjoy and learn critical lessons about the habits of successful people that will enrich your life's experience.

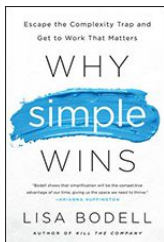

The Millennial Myth: Transforming Misunderstanding into Workplace Breakthroughs by Crystal Kadakia

Berrett-Koehler Publishers © 2017 (184 pages)

ISBN: 9781626569560

Illuminating how the advent of digital technology is the crucial root cause of many Millennial behaviors, this important book offers a guide for what our traditional workplace needs to do to attract, engage, and retain modern talent.

Why Simple Wins: Escape the Complexity Trap and Get to Work That Matters by Lisa Bodell

Bibliomotion © 2017 (240 pages)

ISBN: 9781629561295

Using simple stories and techniques, this inspiring book shows that by using simplicity as an operating principle, we can eliminate the busy work that puts a chokehold on us every day, and instead spend time on the work that we value.

**AWS Essentials: AWS Service Offerings by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to illustrate how AWS services can solve business problems.

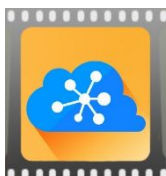

**AWS Essentials: AWS Sign Up Procedure by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to describe AWS account sign-up requirements.

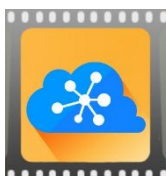

**AWS Essentials: Cloud Computing Overview by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to describe cloud characteristics and service models.

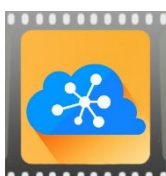

**AWS Essentials: Cloud Computing Providers by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (7 min)  
After watching this video, you will be able to list major cloud providers and how their services vary.

**AWS Essentials: Cloud Service Models by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to list common cloud service models.

**AWS Essentials: Cloud Types by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to list characteristics that define cloud types.

**AWS Essentials: Data Centers by Dan Lachance**  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to describe cloud provider data centers.

**AWS Essentials: Service Level Agreements** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to determine SLA details for specific cloud services.

**AWS Essentials: Sign Up for AWS** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to sign up for AWS by creating an account.

**AWS Essentials: The Business Value of Cloud Computing** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (6 min)  
After watching this video, you will be able to describe how cloud computing provides business value.

**AWS Essentials: The Cloud Defined** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (6 min)  
After watching this video, you will be able to describe the concept of cloud computing.

**Implementing Microsoft Azure Solutions: Azure Load Balancer** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to identify when Azure Load Balancer should be used.

**Implementing Microsoft Azure Solutions: Azure Traffic Manager** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to identify when the Azure Traffic Manager should be used.

**Implementing Microsoft Azure Solutions: Configure a Virtual Machine Scale Set** by Dan Lachance  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to use the portal to configure a virtual machine scale set.

Implementing Microsoft Azure Solutions: Configure a Windows VM with DSC by Dan Lachance  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to use DSC to ensure Windows VM configurations are consistent.

Implementing Microsoft Azure Solutions: Configure Azure Load Balancer by Dan Lachance  
Skillsoft Ireland Limited © 2017 (9 min)  
After watching this video, you will be able to use Azure Load Balancer for VMs in the same region.

Implementing Microsoft Azure Solutions: Configure Azure Traffic Manager by Dan Lachance  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to use Traffic Manager for VMs in different regions.

Implementing Microsoft Azure Solutions: Configure DSC for a Windows Azure VM by Dan Lachance  
Skillsoft Ireland Limited © 2017 (7 min)  
After watching this video, you will be able to ensure the IIS web server role is installed in Azure Windows VMs.

Implementing Microsoft Azure Solutions: Configure Virtual Machine Sizing by Dan Lachance  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to use the portal to resize an existing virtual machine.

Implementing Microsoft Azure Solutions: Create a Runbook Using the Portal by Dan Lachance  
Skillsoft Ireland Limited © 2017 (9 min)  
After watching this video, you will be able to use the portal to create a runbook.

Implementing Microsoft Azure Solutions: Create a Virtual Machine Scale Set by Dan Lachance  
Skillsoft Ireland Limited © 2017 (6 min)  
After watching this video, you will be able to use the portal to create a virtual machine scale set.

Implementing Microsoft Azure Solutions: Direct Server Return by Dan Lachance  
Skillsoft Ireland Limited © 2017 (2 min)  
After watching this video, you will be able to describe the benefit on the load balancer when using direct server return.

QuickBooks Pro 2017 Fundamentals: QuickBooks Home by Jamie Campbell  
Skillsoft Ireland Limited © 2017 (3 min)  
After watching this video, you will be able to describe the QuickBooks Home page.

Visual Studio 2017: C# Async Return Types in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (6 min)  
After watching this video, you will be able to use the async modifier to return types other than Task and Task<T> in C#

Visual Studio 2017: C# Local Function in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to work with C# local function in VS 2017.

Visual Studio 2017: C# Ref Locals and Returns in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to apply the ref locals and returns feature in Visual Studio 2017.

Visual Studio 2017: C# Throw Expression in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to use the new throw expressions in C#.

Visual Studio 2017: C# Tuples in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (8 min)  
After watching this video, you will be able to identify how to use C# tuples.

Visual Studio 2017: Debugging .NET Core on Unix by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (7 min)  
After watching this video, you will be able to use SSH to debug a .NET application on a Unix machine.

Visual Studio 2017: Out Variables for C# in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to use the out variable in a C# program.

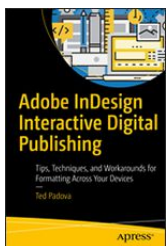

Visual Studio 2017: Updates to C# Expression-bodied Members in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (5 min)  
After watching this video, you will be able to describe the use of expression-bodied members in C#.

Visual Studio 2017: Using Response Compression in VS 2017 by Boris Misljencevic  
Skillsoft Ireland Limited © 2017 (4 min)  
After watching this video, you will be able to use response compression with ASP.NET core in VS 2017.

Adobe InDesign Interactive Digital Publishing: Tips, Techniques, and Workarounds for Formatting Across Your Devices by Ted Padova  
Apress © 2017 (539 pages)  
ISBN: 9781484224380

Offering tips, techniques, and workarounds, this book will help you expand your skills for laying out and formatting documents and eBooks deployed for screen viewing on computers, tablets, and smart phones.

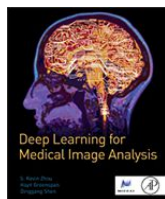

Beginning iPhone Development with Swift 3: Exploring the iOS SDK, Third Edition by Molly Maskrey, Kim Topley, David Mark, Fredrik Olsson and Jeff LaMarche  
Apress © 2016 (774 pages)  
ISBN: 9781484222225

Assuming little or no working knowledge of the Swift programming language, and written in a friendly, easy-to-follow style, this practical guide offers a comprehensive course in iPhone and iPad programming.

Customer Segmentation and Clustering Using SAS Enterprise Miner, Third Edition by Randall S. Collica  
SAS Institute © 2017 (356 pages)  
ISBN: 9781629601069

A working guide that uses real-world data, this step-by-step resource will show you how to segment customers more intelligently and achieve the one-to-one customer relationship that your business needs.

Deep Learning for Medical Image Analysis by S. Kevin Zhou, Hayit Greenspan and Dinggang Shen (eds)  
Academic Press © 2017 (460 pages)  
ISBN: 9780128104088

Deep learning is providing exciting solutions for medical image analysis problems and is seen as a key method for future applications. This book gives a clear understanding of the principles and methods of neural network and deep learning concepts.

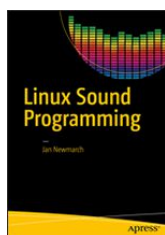

Handbook of Research on End-to-End Cloud Computing Architecture Design by Jianwen "Wendy" Chen, Yan Zhang and Ron Gottschalk (eds)  
IGI Global © 2017 (507 pages)  
ISBN: 9781522507598

Ideal for programmers, IT professionals, students, researchers, and engineers, this comprehensive publication provides architectural design and implementation studies on cloud computing from an end-to-end approach.

Kubernetes Management Design Patterns: With Docker, CoreOS Linux, and Other Platforms by Deepak Vohra  
Apress © 2017 (399 pages)  
ISBN: 9781484225974

A practical guide on using Kubernetes management patterns on CoreOS, this book discusses the ease of use provided by Kubernetes in developing and running applications in Pods and covers cloud platforms, such as Amazon AWS EC2 and Google Cloud Platform.

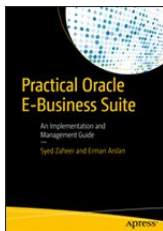

Linux Sound Programming by Jan Newmarch  
Apress © 2017 (608 pages)  
ISBN: 9781484224953

Taking you through the layers of complexity involved in programming the Linux sound system, this practical, how-to guide will show you the large variety of tools and approaches that apply to almost every aspect of sound.

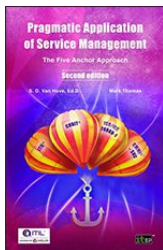

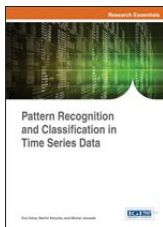

Pattern Recognition and Classification in Time Series Data by Eva Volna, Martin Kotyrba and Michal Janosek (eds)  
IGI Global © 2017 (282 pages)  
ISBN: 9781522505655  
With practical examples and applications, this essential reference source focuses on intelligent methods and techniques for recognizing and storing dynamic patterns.

Practical Oracle E-Business Suite: An Implementation and Management Guide by Syed Zaheer and Erman Arslan  
Apress © 2016 (774 pages)  
ISBN: 9781484214237  
Explaining the rationale for using an Oracle E-Business Suite environment in a business enterprise, this hands-on, real-world guide covers the major technology stack changes from EBS version 11i through R12.2.

Pragmatic Application of Service Management: The Five Anchor Approach, Second Edition by S. D. Van Hove and Mark Thomas  
IT Governance © 2016 (140 pages)  
ISBN: 9781849288781  
Packed with instructive illustrations, helpful tables and the authors' very own five anchor approach, this practical book provides comprehensive guidance on creating an integrated system based on COBIT 5, ISO 20000, ITIL and CMMI-SVC.

Securing the Internet of Things by Shancang Li and Li Da Xu  
Syngress Publishing © 2017 (156 pages)  
ISBN: 9780128044582  
Covering both the general theory and practical implications, this book provides network and cybersecurity researchers and practitioners with both the theoretical and practical knowledge they need to know regarding security in the Internet of Things (IoT).

Yes or No Questions by Erin Meyer  
Erin Meyer © 2016 (2 min)  
Because the answers yes and no can mean different things across different borders, it's good practice to ask open-ended questions.
