***ACHIEVING INNOVATION AND BREAKTHROUGHS***

By Peter Diamandis Upcoming Event: 1 Hour, 15 Minutes

#### Overview

Diamandis explains how traditional thinking, risk-aversion, and incrementalism causes the demise of companies unable to cope with the changes brought by disruptive innovation. He will discuss how the rapid growth of key exponential technologies is empowering individuals and companies to do what only governments were able to achieve in past decades.

***ACT LIKE A LEADER, THINK LIKE A LEADER***

By Herminia Ibarra Upcoming Event: 1 Hour

#### Overview

For many successful professionals who have built their career on technical expertise, the transition to bigger leadership roles is often filled with tripwires. In this session, based on her book Act Like a Leader, Think Like a Leader, Herminia Ibarra will turn the usual "think first and then act" philosophy on its head.
