Subject: Retirement System Compensation Limit Revision

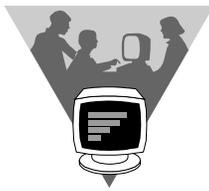

~~~~~  
~

The enactment of the Federal Omnibus Budget Reconciliation Act of 1993 set a limit for all retirement systems regarding the amount of contributions on earnable salary beginning calendar year 1994. You will need to complete the attached form for all new employees in your agency with a gross salary (including overtime and compensatory time) of \$150,000 or more who became a member of any retirement system **on or after January 1, 1994**. The previous compensation limit of \$235,840 will continue to apply to those employees who became members prior to January 1, 1994.
