Re: School District Income Tax Update For 1999

There was no new school district income tax passed in 1998. One school district has a rate change and another has a name change. These school district changes will become effective the first pay period in the 1999 W-2 year (pay period ending 01/02/99 for the biweekly delayed payrolls, pay period ending 01/16/99 for biweekly current payrolls and pay period ending 01/31/99 for the monthly payrolls. The State of Ohio will continue withholding an income tax for one hundred and twenty school districts.
