Subject: Pay Tables for AFSCME, 1199 and Exempt Employees

---

Attached are the rate tables that are effective for the pay period that includes July 1, 2000. They represent a 3% increase over the current rate. The tables are for exempt employees as well as employees represented by OCSEA/AFSCME and Ohio Health Care (1199). Each table lists the appropriate collective bargaining unit(s) and the effective date.

Note that the exempt pay table includes a new step 7 for pay ranges 12 through 18. Movement to step 7 will not occur automatically. Additionally information detailing the movement to step 7 will be issued at a later date.

The newly released OCSEA contract books have an incorrect rate printed for pay range 12 step 2 in all three years of the agreement (each 1 penny to high). The rates on the attached documents are correct.

Thank you in advance for your cooperation. If you have any questions regarding this letter, please contact me at (614) 466-2986.
