Subject: Sick and Personal Leave Conversion

Each year full-time employees (appointment types 01, 11, and 17) and part time employees (appointment types 04, 13 and 18) have conversion options with regard to sick leave and personal leave credit from the previous year. This year's leave conversion will take place pay period ending November 29, 2003, which will be paid to employees on payday December 12, 2003. Employee options are:

- Conversion to cash of all or any portion of the unused personal leave and/or sick leave accruals from the benefit year that has just ended;
- Conversion of personal leave to sick leave;
- Personal leave balance may be carried forward except those hours which exceed the maximum allowable balance;

The maximum hours of conversion are as follows:

Union or Employee Affiliation	CBU	Sick Leave	Personal Leave
Ohio State Troopers Association (OSTA)	01, 15	80	40
Fraternal Order of Police (FOP)	02, 46, 48	80	40
Ohio Civil Service Employees Association (OCSEA)	03, 04, 05, 06, 07, 08, 09, 13, 14, 45, 50, 55	80	40

Communication Workers of America (CWA)	40	80	48
Exempt	22, 41, 47, 51, 56	80	40

To inform employees of their options and provide a means for them to communicate their choice to their payroll officer, forms have been prepared for each eligible employee. These forms are to be distributed to employees with their paycheck on October 31, 2003. Each employee should record their choices, sign and return the form to their payroll officer **no later than** November 24, 2003. Forms are to be retained by agency payroll officers and are not to be sent to DAS, Human Resources Division.

The forms reflect sick and personal leave balances as of pay period ending October 4, 2003. The HR2K system will automatically adjust any requests for payment or conversion to reflect sick and/or personal leave used and/or accrued between October 5, 2003 and November 29, 2003. Sick leave balances will be carried forward unless otherwise requested. Personal leave balances in excess of the allowable maximum will be paid without request.

Sick leave conversion will be paid at a percentage of the regular rate of pay determined by the number of sick leave hours used and the bargaining unit (see tables), while personal leave will be paid at one hour for each one hour converted. Such payments are subject to 27.0% federal tax, 3.5% state tax, 1.45% Medicare, regular local tax, and child support withholding. Payments are not subject to retirement contributions.
