RE: **MONTHLY REPORT – NUMBER OF STATE EMPLOYEES**

The attached document sets forth the State of Ohio employment count by agency as of September 17, 2007. The report can be summarized into the following categories:

<b><u>Employment Category</u></b>	
Employees of Cabinet Agencies:	33,219
Employees of Correction Agencies:	16,739
<b>Total Employees in Agencies Under Control of the Office of the Governor</b>	49,958
Employees of Boards and Commissions Appointed by the Governor	7,858
Elected Officials and Employees of Other Agencies, Boards and Commissions	6,594
<b>Total Employees</b>	64,410

Each agency's specific count total is listed in bold on the attached document. Where applicable, the attached report also shows the agency-by-agency employment figures for full-time and part-time employees in the following appointment types:

**Established Term.** These employees are established by agency-specific and collective bargaining agreements and have a limited duration of work dependent upon the needs of the department. *Established term regular* employees work a standard forty hour week, while *Established term irregular* employees are provided an identified number of hours each fiscal year.

**Fixed Term.** These employees have been appointed or elected to serve for a period fixed by law. *Fixed term salaried* employees receive a fixed salary set by law. *Fixed term per diem* employees receive compensation on a daily basis for attending meetings and/or conducting official business on behalf of the agency.

**Interim.** These employees work for an indefinite period of time that is fixed by the length of absence of an employee due to sickness, disability, or approved leave of absence. *Interim external* employees are interim employees appointed from temporary, seasonal

and intermittent positions, while *interim internal* employees are employees appointed from permanent, established term regular, and established term irregular positions.

**Intermittent.** These employees work an irregular and unpredictable schedule which is determined by the fluctuating demands of the work. Typically, these employees work fewer than 1,000 hours per year.

**Permanent.** These employees hold a position that requires a regular schedule of twenty-six consecutive bi-weekly pay periods, or any other regular schedule of comparable consecutive pay periods that is not limited to a specific season or duration.

**Project Employees.** These employees are hired in connection with a special project having a limited term funding source, such as a federal grant.

**Seasonal.** These employees work a certain regular season or period of each year performing some work or activity limited to that season or period of the year.

**Temporary.** These employees hold their positions for a limited period of time, which is fixed by the appointing authority for a period not to exceed six months.
