

Exempt Employees Only: Your Dental, Vision and Supplemental Life Insurance Benefits

If you are an exempt employee, the state pays the full cost for you and your eligible dependents to participate in the dental and vision plans. An exempt employee is eligible to participate in these programs after one year of continuous state service.

Dental Plan

If you are an exempt employee, regardless of where you live, you can choose to participate in either the DeltaPreferred or the DeltaPremier plan offered through Delta Dental of Ohio. When you participate in either of the dental plans, you can go to the dentist of your choice and receive benefits. However, you will generally pay less when you go to a dentist who belongs to the DeltaPreferred or DeltaPremier network. **When making your coverage selection, be sure to check with your dentist to determine whether he/she belongs to the DeltaPreferred or DeltaPremier network.**
