

IT Planning FAQs

Do I use ITIP to capture my FY14/15 IT budget information?

No, for FY14/15 and beyond, you will no longer be entering information into the ITIP system. IT IMS will provide a SharePoint site where you will be requested to submit narratives and costs for IT projects, applications, and operations to DAS. This site will be accessible from www.das.ohio.gov/ITPlanning.

When is my FY14/15 IT planning budget information due?

Agencies, boards and commissions will be requested to enter their initial FY14/15 IT investment information by September 28, 2012.

When will the SharePoint site be available?

IT IMS is targeting the site's availability along with training on the site's use for August 2012.

When you roll out the new IT ALPS application, will I have to reenter my agency's information?

No, all relevant data entered into the SharePoint site will be migrated to the new IT ALPS application.
