

State of Ohio IT Standard

Standard Number: ITS-PLF-02	Title: Rescinded as of 11/20/2014 Enterprise x86 Server Hardware for Virtual Server Hosts
Effective Date: 02/04/2014	Issued By: Stuart R. Davis, Assistant Director/State Chief Information Officer Office of Information Technology Ohio Department of Administrative Services
Version Identifier: 1.1	Published By: Enterprise IT Architecture & Policy Office of Information Technology

This Ohio IT Standard ITS-PLF-02, "Enterprise x86 Server Hardware for Virtual Server Hosts," was rescinded effective 11/20/2014 and is no longer in effect.

Due to Ohio's IT Optimization effort and its' objective to centralize agency virtual server environments, all server procurements will now be handled by the State of Ohio Computer Center. For additional information, visit [Ohio's IT Optimization Website](#).

Details regarding Ohio's Server Virtualization Service are available within the [State of Ohio IT Service Catalog](#). Interested parties may also contact the Customer Service Center at CSC@ohio.gov.

If you have questions about the rescission of this standard, please contact:
