

State of Ohio IT Standard

Standard Number: ITS-PLF-03	Title: Rescinded as of 11/04/2011 Printer Total Cost of Ownership
Effective Date: 7/1/2007	Issued By: R. Steve Edmonson, Director State Chief Information Officer
Version Identifier: 1.0	Published By: Investment and Governance Division Ohio Office of Information Technology

This Ohio IT Standard was rescinded effective 11/04/2011 and is no longer in effect.

It is still important for agencies to employ due diligence when making printer selections. TCO evaluations should always take printer, warranty, and consumable costs into account in order to derive the best alternative. When making printer selection decisions, agencies should contact the DAS GSD Cost-Per-Copy Program. The resources that support this program can assist agencies with printer TCO calculations and selection decisions. Information regarding the Cost-Per-Copy Program can be found online at:

<http://das.ohio.gov/Divisions/GeneralServices/StatePrintingandMailServices/CostPerCopyProgram/tabid/264/Default.aspx>.

If you have questions about the Cost-Per-Copy program or the printer selection support services, please contact:

Ron Rowland
