MASTER SERVICE AGREEMENT
CENTREX SERVICE**

1. Description of Service

- Centrex Service ("Service") is a local exchange telecommunications service provided by a telecommunications system located in an AT&T local Central Office, which controls the switching of:
 - Calls from the exchange network to the Centrex lines,
 - Calls from the Centrex lines to the exchange network,
 - Intercommunicating calls between Centrex lines.
- For purposes of this Service Attachment, Centrex Service is defined to mean the basic system features, the basic station features, and the optional features, but specifically excludes any network facilities and usage provided in conjunction with the Service. AT&T will furnish, install and maintain up to Customer's Network Interface all equipment, cabling and materials necessary to provide the Services in accordance with this Pricing Schedule.

2. Service Specific Terms and Definitions

2A. Definitions:

- **Additional Services** - The additional services necessary to make the Services function or those purchased at Customer's option that are provided under additional terms, conditions and charges determined in accordance with AT&T's Tariffs or under separate agreement.
- **Central Office** - A building controlled, owned or leased and maintained by AT&T intended for and consisting of switching systems and related equipment used to provide telecommunications services to its customers generally.
- **Centrex System** - A Central Office based communications system whose system parameters are defined within the common block of the Central Office software.
- **Common Block** - System parameters, which include, but are not limited to, such items as station range and service features associated with a Centrex System.
- **Centrex Mate** - A service that offers the customer a method to change, add or delete features within their Centrex Service.
- **Network Interface** - The designated point that separates AT&T transmission facilities from the Customer distribution facilities as defined in AT&T's Tariff.
- **Primary Location** - Any one contiguous property location of the Customer may be designated by the Customer as the Primary Location.
- **Station Lines or Lines** - A main station of the Centrex system which has full in-dialing privileges, access to and from the attendant position, and intra-system dialing privileges.
- **Tariff** - The rates or charges, rules, regulations, terms and conditions, and/or classifications applicable to Services furnished by AT&T on file with the pursuant to the regulations as provided in the Tariff on file with the Public Utilities Commission of Ohio (PUCO) or the FCC or, if the Service is detariffed, the Guidebook.
- **Variable Term Payment Plan - VTPP** - A plan under which Customer selects a variable term (i.e., 36 months, 60 months) during which the Customer contracts to pay fixed monthly rates for various services, for the term of the service period selected. Non-VTPP refers to Services that

have Tariff governed rates and charges which are subject to rate changes regardless of the term of the Pricing Schedule (e.g., Network Access, Telephone Numbers, Service and Equipment Charges).

2B. Service Specific Terms:

This section contains the additional Terms and Conditions that are specific to the Centrex Services described herein.

1. Configuration

This Service shall be configured as set forth in each order placed via the TSR System.

2. Service Term

The Service Term for Centrex Service ordered under this Service Attachment shall be 24 months beginning July 1, 2009 and expiring June 30, 2011. In the event that the Service Term of any service provisioned under this Service Attachment and/or 2006 Agreement extends beyond the term of the Service Attachment and/or 2006 Agreement or termination of the Service Attachment and/or 2006 AGREEMENT, then the Terms and Conditions for the Service Attachment 7 and/or 2006 Agreement shall survive with respect to that service until that service expires or is otherwise terminated, AT&T and the State of Ohio are currently negotiating the State of Ohio's Centrex contract. In the event the State executes a new Centrex Service Agreement, the State may transition the Centrex Service provisioned pursuant to this Service Attachment 7 for the Ohio School for the Deaf and Blind to the new State contract with no penalty.

3. Rates and Charges

AT&T shall charge, and Subscribing Entity agrees to pay, the appropriate monthly rates and non-recurring charges set forth in Appendix 1 to this Service Attachment 7. In the event the Subscribing Entity does not renew the Service upon expiration of the term (as set forth in Section 2B2. Above) in accordance with Section 5.2 of the Agreement, the rates for the Service will revert to the month-to-month basis rates then in effect for the Service.

4. Access Right.

Customer will in a timely manner allow AT&T to access its property and equipment that Customer owns and/or leases where Services will be provided as reasonably required to provide the Services at Customer locations. Access rights include the right to construct, install, repair, maintain, replace and remove access lines and network facilities, as well as to use ancillary equipment space within a building, as necessary for Customer's connection to AT&T's network. Customer must provide AT&T timely information and access to Customer's facilities and equipment as AT&T reasonably requires to provide the Services, subject to Customer's reasonable security policies. Customer will with respect to Customer owned and/or leased sites where AT&T Services will be provided furnish (i) any conduit, holes, wireways, wiring, plans, equipment, space, power/utilities, and other items reasonably required to perform installation of the Services, and (ii) obtain any necessary licenses, permits and consents (including easements and rights-of-way). Customer will have the Site ready for AT&T to perform its work according to a mutually agreed schedule, and AT&T will assure the site is returned to its original condition.

5. Provision of Service

Centrex Service is provided from switching equipment located on the Company premises and is offered for 2 or more lines subject to the availability of facilities. Variations in the switching and control equipment used may cause differences in the operations or availability of certain features. Centrex Service is provided at the option of the Company and is furnished subject to central office switching capacity and the availability of outside plant facilities. Centrex Service is limited to a minimum of 2 lines. Centrex Service requires Network Access (See Other Applicable Charges) except with OmniPresence applications. OPTI-Centrex Basic Lines are provisioned via a Company 1.544 Mbps or higher speed facility with multiplexing.

Each OPTI-Centrex Basic line requires one channel on a Company transport facility plus appropriate multiplexing facilities

6. Intercept of Calls to Unassigned Station Line Numbers

Incoming and Intra-group calls to unassigned numbers are intercepted by standard recorded announcement. Customized recorded intercept messages may be provided where facilities permit at additional charges.

7. Suspension of Service

Suspension of service is not offered for Centrex Service.

8. Local Service Area

The exchange or zone of the serving wire center for Centrex Service determines the local service area for all station lines.

9. Mileage Charges

Where facilities permit, Centrex lines and Electronic Key lines may be provided to a customer's location outside the serving CO area. In such cases, in addition to the prices for the specific Centrex line, appropriate mileage charges apply. (See Reference Section)

When the customer's premises and the serving central office providing ISDN Centrex service are located in different Service Areas, Base Rate charges will apply. Customers provided this service arrangement will require three Interexchange Mileage component charges and six Channel Mileage Termination charges for each ISDN Centrex line they purchase.

10. Cancellation of Service

In the event of a customer-initiated cancellation of service, equipment and/or facilities before completion, or after installation is completed, but prior to service being established, the loss of equipment and facilities in the process of building or being installed, cost of installation labor, cost of removal and other expenses will apply. In addition, Service Connection Charges may also be applicable.

11. Directory Listings

The Company will furnish without charge one primary directory listing for each Centrex System in addition to a sub-listing indicating that stations can be dialed directly if the number is known.

5. Fee Structure

This Section provides the following information:

- A pricing overview for available service options
- Termination fee information

5.1 Service Options

The Pricing Tables, located in Appendix 1, provide the Monthly Recurring Charge (MRC) for 24 month service commitment term for the Centrex Service.

5.2 Early Termination Fee Information

Customer must maintain in service a minimum of 373 Stations (Minimum Quantity) during the Service Attachment term. In the event the Station quantity falls below the Minimum Quantity before the expiration of the Service Attachment Term, Customer shall be obligated to pay AT&T a termination charge for any Station terminated below the Minimum Quantity equal to (i) any unpaid special construction charges or Non-recurring Charges ("NRCs") (excluding any waived charges), plus (ii) fifty percent (50%) of the recurring Monthly Charge for the terminated Service as set forth in this Addendum, multiplied by the number of months remaining in the Term of this Addendum at the point of termination. These charges shall become due and immediately payable upon termination.

6. Taxes, Surcharges, and Governmental Fees

Other charges, such as federal Access Charge, End User Complex Line Port, and Federal Universal Service Fee may apply to the Centrex Service. The rates for such charges are set forth in the AT&T Tariff.

7. Reporting Requirements

The State can access reports via AT&T's electronic billing tools.

8. Cost Recovery Fee Data Requirement

Cost Recovery Fee's are not applicable to this Service Attachment.
