Dear Mr. Steele:

Please accept this letter as a contract extension for the following document, including all Amendments and Addendums, unless otherwise noted:

Master Service Agreement (MSA) - effective 12/23/10

This letter will extend this contract for a period of 90 days beginning July 1, 2011 and ending September 30, 2011, while we continue to work towards an amendment to bring your contract into compliance with Executive Order 2010-9S "Banning of Expenditure of Public Funds for Offshore Services." In the event that an amendment is not negotiated within that time frame, the above-named document will.

If you should have any questions regarding these contract extensions, please contact Denise Freshly at denise.freshly@ohio.gov or 614-466-6060. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Robert Blair/seo".
