Terms and Conditions

Sections 1 through Section 14 of this Agreement are hereby defined as the Standard State Terms and Conditions. These Standard State Terms and Conditions are derived from Ohio statutory law, rules and procedures. As such, the Standard State Terms and Conditions will remain as written by the State and construed in conjunction with the applicable laws, rules and procedures.

1 General Information

1.1 Headings

The headings herein are for convenience only and are not intended to have any substantive significance in interpreting this Agreement.

1.2 Relationship of Parties and Subscribing Entity(s)

- A. The Parties are independent contractors and nothing herein creates or implies an agency relationship or a joint venture or partnership between the Parties. Considering the Parties are independent contractors, the Service Provider, their employees, contractors and/or subcontractors who may attend meetings and work in other situations where their independent contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression in the minds of the members of the public that they are Government officials. In addition, the Service Provider, their employees, contractors and/or subcontractors may not make any representation that they are acting, speaking, representing or otherwise advocating any position, agreement, service or otherwise on behalf of the State.
- B. For purposes of this Agreement and any Service Attachments, the Department of Administrative Services and Subscribing Entity(s) shall be authorized to inquire of the Service Provider's Services, invoices, payment and receive reports or other information from the Service Provider.

1.3 Subscribing Entity(s)

"Subscribing Entity(s)", when context is so applicable, means Agencies, Boards, Commissions, Cooperative Purchasing Members, and other entities, or institutions that State of Ohio deems as a government entity or authorize as able to participate as a Subscribing Entity.

1.4 Cooperative Purchasing Members

Cooperative Purchasing Members are defined in Section 125.04 of the Ohio Revised Code ("ORC") and include counties, townships, municipal corporations, regional transit authorities, regional airport authorities or port authorities and school districts, conservancy districts, township park districts and park districts created under ORC Chapter 1545; any other political subdivision that has been approved by the Department of Administrative Services to participate in the Cooperative Purchasing Program; and other entities set forth in ORC Section 125.04. Cooperative Purchasing Members may purchase services from the Service Provider subject to the Terms and Conditions of this Agreement so long as they have entered into a Cooperative Purchasing Agreement with the Department of Administrative Services as detailed in the ORC 125.04. All records concerning the Services purchased under this Agreement shall be made available to State by the Service Provider.

1.5 Subscribing Entity Reliance on Agreement.

Subscribing Entities may rely on this Agreement. Whenever a Subscribing Entity relies on this Contract to issue a purchase order, the Subscribing Entity will step into the shoes of the State under this Agreement for purposes of its order, and, as to the Subscribing Entity's order, this Agreement will be between the Service Provider and the Subscribing Entity. The Service Provider must look exclusively to the Subscribing Entity for performance, including but not limited to payment, and must hold the State harmless with regard to such orders and the Subscribing Entity's performance and payment. The State will have the right to terminate this Agreement and seek such remedies on termination as this Agreement provides should the Service Provider fail to honor its obligations under an order from a Subscribing Entity.

Terms and Conditions

1.6 Non-Exclusivity

This Agreement is non-exclusive. Nothing herein prevents either Party from entering into similar agreements with other entities.

1.7 Entire Agreement

A. This Agreement, together with any Service Attachments or Amendments and all applicable tariffs incorporated herein by this reference, sets forth the entire Agreement of the Parties with respect to the subject matter hereof, and supersedes any prior agreements, promises, representations, understandings and negotiations between the Parties.

B. Any modifications, amendments, supplements to or waivers of this Agreement must be submitted and approved in writing in accordance with this Agreement and executed by authorized representatives of both parties. The Service Provider may be required to file a copy of this Agreement with the Public Utilities Commission of Ohio.

1.8 Severability

If any provision hereunder is declared or held invalid, illegal or unenforceable, this Agreement will be revised only to the extent necessary to make such provision(s) legal and enforceable, or if impossible, the unaffected portions of this Agreement shall remain in full force and effect so long as the Agreement remains consistent with the Parties' original intent.

1.9 Survival

The Terms and Conditions of this Agreement and any associated Amendments will survive the expiration or other termination of this Agreement only to the extent that the DAS or any Subscribing Entity requests in writing 30 days before the expiration of this Agreement or applicable Service Attachment that a Service or Order remain in effect for up to one year following the expiration or termination of this Agreement.

Except for Sections regarding Confidentiality, Indemnification, and Antitrust, the Terms and Conditions of this Agreement and any associated amendments and associated Orders will not survive termination or expiration of this Agreement as to all Services if no request is made for those services to remain active, then Vendor must disconnect all Services not renewed.

If any Service Attachment should expire, terminate, the Terms and Conditions of this Agreement will survive as to all other Service Attachments not expired or terminated.

1.10 No Waiver

Either Party's failure to enforce any provision or term of this Agreement shall not be construed as a future or continuing waiver of such provision or term of this Agreement.

1.11 Governmental Authorization, Regulatory Changes

This Agreement is subject to all applicable federal, state and local laws, rules and regulations, and each Party must comply with all applicable federal, state and local laws, rules and regulations and orders in performing its obligations hereunder. To the extent any provision of this Agreement conflicts with any such applicable law, rule or regulation, such law, rule or regulation will supersede the conflicting provision. The Service Provider may discontinue, limit or impose additional requirements to the provision of Service, upon no less than thirty (30) days written notice, as required to meet regulatory or other lawfully imposed requirements

1.12 Standard State Terms and Conditions

A. As stated previously, Sections 1 through Section 14 of this Agreement are hereby defined as the Standard State Terms and Conditions. These Standard State Terms and Conditions are derived from Ohio statutory

Terms and Conditions

law, rules and procedures. As such, the Standard State Terms and Conditions will remain as written by the State and construed in conjunction with the applicable laws, rules and procedures.

- B. The Service Provider may suggest additional language and incorporate such additional language, as agreed to and approved by the Ohio Department of Administrative Services' legal counsel, in Section 15, Service Provider Added Language. Such additional language shall not modify or supersede the Standard State Terms and Conditions. If such a conflict exists at the time of execution of the Agreement and thereafter, the Standard State Terms and Conditions shall prevail.

1.13 Service Specific Terms and Conditions and Service Attachments

Service Attachments describe services the Service Provider may offer under this Agreement, along with any special terms or conditions applicable to them, descriptions of those services, features, and any fees associated with such services, as well as any other provisions the Parties may agree to therein. Such Service Attachments, when executed by the Parties, are incorporated into this Agreement and become a part hereof.

1.14 Order of Precedence

- A. In event of a conflict related to the general Terms and Conditions between the Agreement and the Service Attachment(s), the Agreement shall prevail.
- B. In the event of a conflict related specifically to the service, between the Agreement and the Service Attachment(s), the Service Attachment(s) shall prevail.

1.15 Confidentiality

- A. The Service Provider may learn of information, documents, data, records, or other material that is confidential in the performance of this Agreement. The Service Provider may not disclose any information obtained by it as a result of this Agreement, without the written permission of the State. The Service Provider must assume that all state information, documents, data, source codes, software, models, know-how, trade secrets, or other material is confidential. In addition, the Service Provider may not disclose any documents or records excluded by Ohio law from public records disclosure requirements.
- B. The Service Provider will be liable for the disclosure of any confidential information. The parties agree that the disclosure of confidential information of the State's may cause the State irreparable damage for which remedies other than injunctive relief may be inadequate, and the Service Provider agrees that in the event of a breach of the obligations hereunder, the State shall be entitled to temporary and permanent injunctive relief to enforce this provision without the necessity of proving actual damages. This provision shall not, however, diminish or alter any right to claim and recover.

1.16 Competitive Pricing and Services

For the purposes of maintaining pricing and service competitiveness through the term of the Agreement, the Service Provider agrees to an annual joint review of its pricing and service offerings. The annual review shall include, but is not limited to, a customer-like review wherein the Service Provider shall provide an analysis that will include both retail and wholesale prices of the service of other customers similar to the State to ensure the State and Subscribing Entity(s) receive cost-competitive and technologically competitive Services. The Service Provider agrees that written amendments to the Service Attachments to reduce rates and introduce technological service improvements may be submitted throughout the term of the Agreement.

1.17 Contract Compliance and Conflict Resolution

- A. The Service Provider shall comply with all Terms and Conditions of this Agreement and the provisions of any Service Attachments. If the Service Provider fails to perform any one of its obligations under this Agreement or the Service Attachments, it will be in default and the State may proceed in the following manner:

Terms and Conditions

1. The State may terminate this Agreement and/or Service Attachment as according to Section 7 of this Agreement; or
2. The State may suspend rather than terminate this Agreement and/or Service Attachment where the State believes that doing so would better serve its interest. The notice of suspension whether, with or without cause, will be effective immediately, on the Service Provider's receipts of the notice. The Service Provider may be entitled to compensation for Services rendered before the suspension, less any damage to the State resulting from the Service Provider's breach of this Agreement and/or Service Attachment; or
3. The State may withhold payment for any Service if the Service Provider is noncompliant with any Term and Condition of this Agreement or Service Attachment until the Service Provider cures the noncompliance or the Parties arrive at a mutual agreement as to the corrective action for the noncompliance; or
4. The State may file a complaint with the Public Utilities Commission of Ohio for resolution of the matter. Such complaint may include a request by the State for treble damages if the noncompliance by the Service Provider includes any act prohibited by Chapters 4901, 4903, 4905, 4907, 4909, 4921, 4923 or 4925 of the Ohio Revised Code; or
5. The State may file a complaint for damages with the appropriate court of jurisdiction in the State of Ohio.

2 Indemnification / Limitation of Liability

2.1 Indemnification

The Service Provider must indemnify the State against all third-party claims resulting from bodily injury to any person (including injury resulting in death) or damage to property arising out of its performance under this Agreement, provided such bodily injury or property damage is due to the negligence of the Service Provider, its employees, agents, or subcontractors.

The Service Provider will also indemnify the State for any direct damages and claims by third parties based on any claim enforceable in the United States that a Service or Product provided under this Agreement infringes any patent, trademark, copyright, or trade secret. This obligation of indemnification will not apply where the State has modified or misused the Produce or Service and the claim is based on the modification or misuse. The State agrees to give the Service Provider notice of any such claim as soon as reasonably practicable. If a successful claim of infringement is made, or if the Service Provider reasonably believes that an infringement claim that is pending may actually succeed, the Service Provider will do one (1) of the following four (4) things: (1) modify the Product or Service so that it is no longer infringing; (2) replace the Product or Service with an equivalent or better item; (3) acquire the right for the State to use the infringing Produce or Service as it was intended for the State to use under this Contract; or (4) remove the Product or Service and refund the amount the State paid for the Product or Service and the amount of any other Produce or Service or item that requires the availability of the infringing Product or Service for it to be useful to the State.

2.2 Limitation of Liability - State

The State's and Subscribing Entity(s) liability for damages, whether in contract or in tort, shall not exceed the amount of compensation payable to Service Provider for the previous twelve months of Service related to the specific Attachment under which the damages occurred, or the amount of direct damages incurred by the Service Provider, whichever is less.

2.3 Limitation of Liability - Service Provider

A. The Service Provider will be responsible for any liability, claims, losses and damages arising out of the performance of this Agreement providing such liability, claim, loss, or damage is due to the fault or negligence of the Service Provider, its employees, agent or subcontractors.

Terms and Conditions

- B. NOTWITHSTANDING THE PREVIOUS SENTENCE AND EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, NEITHER PARTY, ITS AFFILIATES OR CONTRACTORS SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS EVEN IF THE PARTY KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

3 Standard Clauses

3.1 Excusable Delay

Neither Party will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delayed Party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date or dates as soon as practicable after notice of delay. In the event of any such excusable delay, the dates of performance or of delivery affected by the delay will be extended for a period equal to the time lost by reason of the excusable delay. The delayed Party must also describe the cause of the delay and what steps it is taking to remove the cause. The delayed Party may not rely on a claim of excusable delay to avoid liability for a delay if the delayed party has not taken commercially reasonable steps to mitigate or avoid the delay. Things that are controllable by the Service Provider's subcontractors will be considered controllable by the Service Provider, except for third-party manufacturers supplying commercial items and over whom the Service Provider has no legal control.

3.2 Employment Taxes

Each Party will be solely responsible for reporting, withholding and/or paying all employment related taxes, payments and/or withholdings for its own personnel, including, but not limited to, Federal, state and local income taxes, social security, unemployment or disability deductions, withholdings, and/or payments (together with any interest and penalties not disputed with the appropriate taxing authority).

3.3 Sales, Use, Excise, and Property Taxes

The State and certain Subscribing Entity(s) are exempt from any sales, use, excise, and property tax. To the extent sales, use, excise, or any similar tax is imposed on the Service Provider in connection with the Project, such will be the sole and exclusive responsibility of the Service Provider, and the Service Provider will pay such taxes (together with any interest and penalties not disputed with the appropriate taxing authority) whether they are imposed at the time the services are rendered or a later time.

- A. The Contractor will comply with all state and federal laws regarding equal employment opportunity and fair labor and employment practices, including Ohio Revised Code Section 125.111 and all related Executive Orders.
- B. Before a contract can be awarded or renewed, an Affirmative Action Program Verification Form must be submitted to the DAS Equal Opportunity Division to comply with the affirmative action requirements. No personnel of the Service Provider may voluntarily acquire any personal interest that conflicts with their responsibilities under this Agreement. Additionally, the Service Provider will not knowingly permit any public official or public employee who has any responsibilities related to this Agreement or the Project to acquire an interest in anything or any entity under the Service Provider's control if such an interest would conflict with that official's or employee's duties. The Service Provider will disclose to the State knowledge of any such person who acquires an incompatible or conflicting personal interest related to this Agreement. The Service Provider will take all legal steps to ensure that such a person does not participate in any action affecting the work under this Agreement, unless the State has determined that, in the light of the personal interest disclosed, that person's participation in any such action would not be contrary to the public interest.

The Contractor further represents and warrants that it has provided or shall provide the DMA form through the Ohio Business Gateway at <http://business.ohio.gov/efiling/> prior to execution of this Contract. If these representations and warranties are found to be false, this Contract shall be void and the Contractor shall immediately repay to the State any funds paid under this Contract.

3.15 Safety and Security Rules

When accessing State networks and systems, the Service Provider must comply with all applicable policies and regulations regarding data security and integrity. And when on any property owned or controlled by the State, the Service Provider must comply with all security and safety rules applicable to people on those premises.

3.16 Executive Order 2011-12K

A. The Contractor affirms to have read and understands Executive Order 2011-12K and shall abide by those requirements in the performance of this Contract. Notwithstanding any other terms of this Contract, the State reserves the right to recover any funds paid for services the Contractor performs outside of the United States for which it did not receive a waiver. 5.1 Service, Cancellation, or Modification

- A. All Orders for Service as well as any Cancellations, or Modifications to an order must be made through the State's Technology (formerly Telecommunications) Service Request ("TSR") system or any similar system in use by the State at the time an order for Service, Cancellation or Modification is requested. Therefore the Service Provider will notify the State when an order is received that was placed outside the TSR or similar system and the Service Provider will not accept the order. If a Service Provider accepts an order outside the TSR or similar system, the State may either withhold payment for the unverified order or request suspension of the Service occurring due to the unverified order without penalty to the State.
- B. The Service Provider agrees to keep Subscribing Entities' orders updated and current in the TSR System.
- C. The Service Provider is responsible for processing all orders, billing, payments, cancellations, and changes, and receiving and managing all Service calls in a consolidated manner. In this regard, the Service Provider must act as the sole point of contact for all Services under this Agreement and any related Service Attachments for all Subscribing Entities. The Service Provider may not require a Subscribing Entity to contact any of the Service Provider's third-party suppliers/carriers or otherwise transact business directly with such suppliers/carriers for any Services ordered under this Agreement, and in all respects, the Service Provider must maintain a seamless, single-point-of-contact business relationship with each Subscribing Entity for the Services ordered under this Agreement.

5.2 eBonding

If available through the Service Provider, the State may opt to generate service orders, conduct order status checks, report Service trouble, manage this Agreement and the Service Attachments and conduct other related transactions through the Service Provider's eBonding system which will allow the State to automatically enter directly into the Service Provider's proprietary system. Once the Service Provider has eBonding capability, the Service Provider must notify the State and provide access to the eBonding system.

6 Term

The current General Assembly cannot commit a future General Assembly to any expenditures. Therefore, this Agreement along with all Service Attachments will automatically expire at the end of the current biennium, which is June 30, 2013.

- B. After the first renewal the Parties agree that pricing of services under the Service Attachment may be renegotiated to reflect more favorable rates to the State. Upon termination of this Agreement, all rights of the Subscribing Entity(s) to order new Services cease and the Service Provider has no further obligations to furnish new Services to the Subscribing Entity(s). The Subscribing Entity(s) have the option anytime

Terms and Conditions

- B. If the Termination of the Agreement and/or Service Attachments is for cause, neither the State nor Subscribing Entity(s) will be held liable for any Cancellation Charges as outlined in the appropriate Service Attachment(s).
- C. In addition, it is understood that the State's funds are contingent upon the availability of lawful appropriations by the Ohio General Assembly. If the General Assembly fails at any time to continue funding for the payments and other obligations due as part of this Agreement, the State and Subscribing Entity(s) obligations under this Agreement are terminated as of the date that the funding expires without further obligation of the State and Subscribing Entity(s).

Any additions or changes in this section must follow the format as outlined in the Master Service Agreement and Service Attachment instructions document. Please note that all Terms and Conditions which are specific to the services will be addressed in the Service Attachment(s) and not in this section.

15.1 MODIFICATIONS

1. Section 1 General Information

1.1 Subsection 1.12 Standard State Terms and Conditions Order of Precedence

1.12(A): Add the following text after the last sentence of the provision:

"The Service Provider's Local Account Team shall provide an annual review providing an analysis of the services to ensure the State and the Subscribing Entity(s) receive cost-competitive and technologically competitive Services at prices that are not unreasonably dissimilar from prices Sprint charges its similarly situated customers with like traffic patterns, volumes, commitment levels and the like."

1.4 Subsection 1.17 Contract Compliance and Conflict Resolution

Sprint suggests adding the following clarifying language at the end of Section 1.17(A)(2): The Parties agree that "to suspend" the Agreement means only that the State, for a limited period of time, may instruct its own agencies and departments, any Subscribing Entities and any Cooperative Purchasing Members not to make any additional purchases of Products or Services under this Agreement; provided, however, such customers may continue to utilize and make payments for any Products or Services existing as of the date of the suspension.

Sprint suggests modifying Section 1.17(A)(3) Contract Compliance and Conflict Resolution as follows:

If the State disputes a charge in good faith, it may withhold payment of that charge if the State (A) makes timely payment of all undisputed charges; and (B) within 30 days of the due date, provides Sprint with a written explanation of the State's reasons for disputing the charge. The State must cooperate with Sprint to resolve promptly any disputed charge. If Sprint determines in good faith, that the disputed charge is invalid, Sprint will credit Customer for the invalid charge.

termination liability) or acts or events beyond the reasonable control of the responsible party (for which Subscribing Entity(s) will not be liable for early termination liability).

Add the following text to Section 7 as paragraph D.

D. Service Provider's Right to Terminate.

- i.
