

Spotlight Topic of the Month: **Diversity and Inclusion**

February 2018

Diversity and Inclusion

Diversity and Inclusion are words often used interchangeably and they are assumed to be the same thing. But that's just not the case. In the context of the workplace, diversity equals representation. However, without inclusion, the crucial connections that attract diverse talent, encourage their participation, foster innovation, and lead to organizational growth is unlikely to happen.

The resources below are available through **Learning on Demand** to assist you in exploring more on the topic of *Diversity and Inclusion*.
