

Letter of Agreement

SEIU District 1199 WV/KY/OH

And

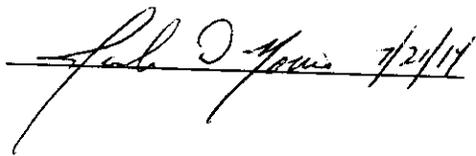

The State of Ohio

Office of Collective Bargaining

Pursuant to the 2012-2015 collective bargaining agreement, Article 7.01 B, the parties hereby agree that the new OH Grievance system shall replace the existing electronic grievance filing process. There shall be no modifications, additions or deletions to the existing CBA between the parties in regards to the grievance process beyond those identified in this agreement. For purposes of the new system, the existing step "one" shall now be considered "step 2" for purposes of agency responses only. This new process shall become effective August 2, 2014.

Bargaining Unit members will continue to have access and be permitted to file grievances on this system from home, a work computer, or a computer in the union office. Internet access from the workplace shall be sufficient to all employees to allow use of the electronic system.

This agreement shall remain in effect through the duration of the 2012-2015 CBA between SEIU District 1199 and the State of Ohio.
