TO
SERVICE ATTACHMENT 1
BY AND BETWEEN
FRONTIER COMMUNICATIONS OF AMERICA, INC.
AND
THE STATE OF OHIO, DEPARTMENT OF ADMINISTRATIVE SERVICES**

This Amendment Number 1 (“Amendment”) is entered into by and between the State of Ohio, through the Department of Administrative Service (“the State”) and Frontier Communications of America, Inc. (“Service Provider”). This is an Amendment to the Service Attachment 1 to the Master Service Agreement (“MSA”) – Service Attachment 1 Metro Ethernet last signed by the State on May 2, 2014 for the provision of Metro Ethernet.

Service Provider and the State hereby agree to modify the Contract as follows:

- Table 3.3 Pricing Tables is replaced by the pricing table below for all new orders placed after the effective date of this amendment. Metro Ethernet is now Ethernet virtual Private Line (EvPL). Metro Ethernet pricing is restructured from Port and Access only to EvPL Access (physical loop) and EvPL EVC (logical transport circuit). All Ethernet requests will require an EvPL and EVC charge. If the State requires a dedicated Internet Port with the EvPL request, Internet Port pricing is provided within the Pricing Table Service Amendment 1.
