

Thank you for your interest in the State of Ohio Combined Charitable Campaign (CCC). The campaign coordinating organization welcomes the opportunity to expand its charity listing with new charitable organizations and looks forward to working with returning charities.

A few of the basic requirements for participation in the CCC include:

- Organization must be a member of one of the federations that participate in the campaign,
- Organization must be a 501(c)3 charity, and
- Charity must be registered with the Ohio Attorney General's Office.

If your charity is already a member of one of the participating federations and meets the qualifications above, please communicate with your federation representative about the application process, who will help you prepare and submit the required paperwork.

If you are not currently a member of one of the participating federations, you can find a list of the participating federations here. You will need to work with one of these federations to become a member and be eligible to participate in the campaign. Each federation has their own membership criteria and deadlines for accepting new members. It may be too late for the 2018 campaign, but it is not too late to begin the process for becoming eligible for the 2019 campaign.
