Thank You for 30 YEARS OF GIVING through State of Ohio Combined Charitable Campaign

Your Campaign. Your Choice.

2019 RESOURCE GUIDE
Message from Governor Mike DeWine:

Dear Colleague:

State of Ohio employees are compassionate and enthusiastic about serving others. That sense of caring and desire to help those who most need it continues when the workday is done.

Fortunately, the Combined Charitable Campaign provides state employees with the opportunity to give consistently through payroll deductions or through a one-time gift. Last year, state employees showed their generosity by raising more than $2.6 million for the campaign.

With more than 1,200 charities to choose from, the CCC is sure to have a cause that is meaningful to you. From supporting our men and women in uniform, to feeding the hungry, to helping find the cure for cancer, to protecting our environment, there are so many ways for you to help your community, our country, and the world. If you have yet to sign up for the CCC, I encourage you to consider it.

Thank you for all you do to serve our state every day.

Very respectfully yours,

Mike DeWine
Governor

The Combined Charitable Campaign has been a true partnership between labor and management in the State of Ohio since its inception in 1989. Because of this effort, we are proud to say that Ohio leads other states in charitable participation, including in dollars raised, the rate of participation and in average gift.

As state employees, we’ve always considered giving back to be an important part of who we are as public employees. By giving to those in need, the funds from our combined effort make it possible to find solutions to social justice issues, advance medical research, provide educational opportunities, feed the hungry, house the homeless and protect the environment.

How we treat the least among us, is the measure for our whole community.

I hope you join me and other state employees in making a contribution to a charitable organization. Let’s make this our best year ever.

Sincerely,
Christopher Mabe
President of OCSEA/AFSCME Local 11

### You can locate a specific charity in a number of ways:

* By federation/location: Charities are listed following their federation affiliation. United Way’s are further broken down by County.  
* By index: Use the alphabetical index to locate your favorite national or local charities. There is a numerical index available on the website if you think you may know the charity code.  
* Look online: The resource guide also is available online at ohio.gov/ohioccc and has a search option to help you search for your favorite charity.  
* Multiple listings: Some charities that have many locations or affiliates show multiple listings, indicating their inclusion in several regional or county organizations.

Thank you for making a difference with your charitable contribution.
What is the combined charitable campaign (CCC)? It is an effort to consolidate many charitable campaigns into one, asking State of Ohio employees for voluntary donations through payroll deductions or one-time gifts. A combined campaign results in minimal workplace disruptions and lower administrative costs. There are multiple participating federations and hundreds of member charities that you may choose to support.

The State of Ohio Combined Charitable Campaign is codified in the Ohio Administrative Code, Chapter 123:1-28-01.

The resource guide: The resource guide is a paper or web-based display of charity listings of all eligible charitable federations and member charities that have met CCC eligibility requirements. A sample charity listing is shown below. Key elements include: the organization’s five-digit code, a 25-word or less statement of purpose, and its administrative and fundraising expense rate (AFR).

The Employer Identification Number (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). Please note: some organizations may be covered under an umbrella organization’s tax exemption status and EIN.

The EIN and AFR are included to help you identify organizations that meet your interests and performance standards.

Additional federation and member charity information can be found in this guide and on GuideStar.org, a national database of nonprofit organizations. When searching in GuideStar, it is best to utilize EINs. You will find the EIN in the federation or member charity description. There is no cost to access GuideStar for this information.

What is the 2019 campaign goal? The overall 2019 campaign goal for the State of Ohio is $2.6 million.

What are the dates of the campaign? The campaign begins Wednesday, August 28 and ends Friday, October 11. An Early Bird promotion for online donations will take place on August 27 and 28.

Where are the kickoff events being held?

**Columbus Kickoff**

- Rhodes State Office Tower Lobby
- Charitable Campaign Rally featuring CCC charities
- Meet and Greet with Honorary Chair Michelle Warnky, American Ninja Warrior Owner, Movement Lab Ohio

**Cleveland Kickoff**

- Meet and Greet with Honorary Chair Michelle Warnky, American Ninja Warrior Owner, Movement Lab Ohio

Is my agency conducting a campaign rally? Watch for posters announcing activities at your work site or contact your department or agency campaign coordinator. Special events will vary by state agency.

Who is my agency campaign coordinator? Go to ohio.gov/ohioccc to find your agency campaign coordinator.
There are two methods of contributing to the CCC:
* Online pledging
* Paper pledge form

Online pledging:
The CCC offers an online giving system, ePledge, which allows donors to make donations to the CCC without using paper pledge forms. The online system is a secure and efficient method of viewing and making contributions to the campaign. You may choose to make a payroll deduction or a one-time donation via credit card or electronic check. A minimum donation of $26 is required for credit card payments. It’s fast and easy!

New for 2019!
* Employees will access the ePledge site through myOhio.gov. *
  * You will make your donation by clicking on the myCCC button.

* You may make a one-time donation via credit card. A minimum donation of $26 is required for credit card payments.

*Note: Ohio Turnpike employees use a different system and will receive directions on how to access ePledge prior to kick off.

The online system will walk you through the process and allow you to donate by payroll deduction, credit card, or electronic check. If unsure of how to proceed once accessing the link, there will be step-by-step directions available at ohio.gov/ohioccc. After your pledge is complete, you will receive an email confirmation, which can be printed and saved. Please complete the online survey after you have completed your pledge.

You will receive, via your work e-mail, online pledging notifications during the campaign that will include the wording “Combined Charitable Campaign.” These e-mails are safe to open and provide important campaign information. Teaser e-mails will be sent on August 1, 15 and 22 and the campaign will officially open August 28, with early bird pledging available on August 27. E-mails will continue throughout the campaign.

Note: Once you complete your pledge online, you will no longer receive CCC email messages. You may also log on to ePledge using the MyCCC tile to affirm that you have made a paper pledge or want to opt out of future messaging.

Paper pledge forms:
2019 paper pledge form: While online giving is an efficient and safe method of making donations to the campaign, paper pledge forms also are available from agency campaign coordinators or online at ohio.gov/ohioccc.

Cash/Check donations: If you wish to make one-time check or cash donations or do not have a work email address you should complete a paper pledge form. Paper pledge forms may be obtained from and turned in to your agency campaign coordinator. Please note: The online option is only for pledging by payroll deduction and electronic check.
New employees: Employees hired on or after August 5 must make their pledge using a paper pledge form.

When completing a paper pledge form:

- Use a black pen and write legibly
- Do not staple the pledge form
- Sign and date the pledge form
- Fill in the appropriate bubble(s) if you wish to be anonymous or not receive a donor recognition item.
- Forms may be photocopied for your records or your agency campaign coordinator’s records
- When you have made your choices and have completed your paper pledge form, please return it to your agency campaign coordinator.

What if my favorite charity isn’t included in the CCC? All charities participating in the State of Ohio Combined Charitable Campaign have completed a thorough application and review process and are members of a federation (please see the definition below). If your favorite charity is not listed, they may not have applied or may not be a member of a federation listed in this resource guide. You may wish to suggest that officials representing that charity contact one of the participating federations to inquire about membership. Contact information for each federation is listed on pages 83 - 86.

What is a federation? Federations are organizations which have multiple independent, charitable agencies as members. They serve as “umbrella” organizations for a wide range of member charities which play a major role in delivering health, human, environmental and educational services. Participating federations are carefully selected. Federations wishing to participate in the CCC submit applications to the CCC Statewide Steering Committee each year. To be approved for participation by the CCC, federations must meet specified criteria which include, but are not limited to the standards listed below. For a full list of eligibility criteria, see the CCC policies and procedures online at ohio.gov/ohioccc.

Key standards for federations and charitable agencies:

- Must be a 501(c)(3), not-for-profit, tax-exempt, charitable federation with at least 7 member charities
- Must provide direct health or human services
- Must be incorporated or authorized to do business in Ohio
- Must adhere to standard accounting procedures
- Must be in existence for at least two years prior to the date the campaign begins
- Must have a stated policy of nondiscrimination and comply with EEO laws

This year’s participating federations are:

A Special Wish Foundation  EarthShare Ohio
America’s Best Charities  Global Impact
America’s Best Local Charities  Habitat for Humanity of Ohio
America’s Charities  Local United Ways and Community Federations
Community Health Charities  Neighbor to Nation
Community Shares  United Negro College Fund

To ensure equal representation in the resource guide the order in which federations and their member charities are listed rotates each year.
What are the payment options available to me?

**Payroll deduction**, the easy method of giving, has several advantages. It’s simple and you can make your gift over a period of time. If you select the payroll deduction option, deductions will be made from your paychecks during calendar year 2020. Each year employees must submit a new pledge. Donations do not automatically continue from year to year. If you select the payroll deduction option, you must complete an online pledge or sign a paper pledge form to authorize the deduction to begin in January.

**One-time gifts** of cash or checks also may be made during the campaign. Any monetary contribution must be accompanied by a pledge form. Contributions by check must be made payable to the Combined Charitable Campaign (CCC). Be sure to enclose cash or checks securely with your completed pre-printed or blank pledge form. Do not staple cash or check to pledge forms. If you choose to donate by electronic check or credit card this option is available online.

With either method, you may designate up to eight charities as long as each charity’s gift is $3 or more for a one-time gift, or $1 or more per charity per pay for payroll deductions.

Your CCC deduction will be reflected on your pay statement as “CCC.”

* This does not apply to the Ohio Turnpike Commission.

**How do I designate my gift?** Through the CCC, you may designate your gift to as many as eight (8) federations or member charities by indicating your choices on the employee pledge form. Each federation and charity is listed separately, with an assigned five-digit charity code (e.g., 12345) that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

To support a federation and have your gift shared among all of its charities, choose the federation code as it appears preceding the federation name and description. To support an individual charity within a federation, select that charity’s code as it appears preceding the charity name and description.

**Should I designate my contribution?** Designating your contribution increases your charity’s ability to capture a greater portion of the undesignated dollars. If you don’t designate, some of your money may go to charities that you do not support, so you are strongly encouraged to carefully choose your designations. Charities that receive no direct contributions will not receive any undesignated contributions. Pledge forms returned with donations but without charity codes will be counted as undesignated donations.
“00000” Undesignated Code: If you choose not to designate your contributions to a specific charity, but want to donate to the campaign as a whole, you should enter “00000” where the charity code is needed. A “00000” contribution will go into an “undesignated” category and will be divided among the federations by the percentage of dollars they were pledged versus the total campaign dollars.

What portion of my gift funds administrative costs? Included in each charity’s description is a percentage reflecting the portion of contributions that charity uses for administrative costs, such as management and fundraising. An asterisk (*) indicates that the charity’s administrative rate exceeds the amount deemed acceptable by State of Ohio CCC Policies and Procedures. The CCC Review Committee approved these charities for this year’s campaign based on their individual circumstances and documentation provided. Each charity has provided a description of their work to help you make an informed choice in designating your gift.

What is the administrative rate for the CCC? Administrative costs for the 2018 campaign were 8.4% of funds received. These funds provide for the creation and printing of the resource guide, newsletters, video, donor recognition items, coordinator training, professional staff, campaign audit, IT support, postage and supplies. All of the federations share in the administrative cost proportionate to their designations in the campaign.

What is a CCC leadership gift? A leadership gift is a donation of $520 or greater for the year. The leadership giving levels are as follows:

<table>
<thead>
<tr>
<th>Category</th>
<th>Donation Level</th>
<th>One-time Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Philanthropist</td>
<td>$80 + per pay</td>
<td>$2,080 +</td>
</tr>
<tr>
<td>Benefactor</td>
<td>$60-$79.99 per pay</td>
<td>$1,560 - $2,079.99</td>
</tr>
<tr>
<td>Humanitarian</td>
<td>$40-$59.99 per pay</td>
<td>$1,040 - $1,559.99</td>
</tr>
<tr>
<td>Patron</td>
<td>$20-$39.99 per pay</td>
<td>$520 - $1,039.99</td>
</tr>
</tbody>
</table>

Leadership gifts are important to the success of the CCC. Last year, a significant portion (59.3%) of the final campaign total was raised through the generosity of state employees giving at leadership levels.

Local United Ways and community federations advance the common good, creating opportunities for a better life for all, focusing on three key building blocks: education, income and health. We lead community-driven initiatives in these areas by bringing together the people and the organizations who have the passion, expertise and resources needed to get things done. In doing so, we make people’s lives better today and create long-lasting community change by addressing the underlying causes of problems.
