

2020 Resource Guide

Message from Governor Mike DeWine

Dear Colleague:

We have experienced a lot of uncertainty during these challenging times. Coronavirus has impacted all Ohioans and has changed our daily lives.

Yet your compassion, dedication, and enthusiasm for serving others has remained.

The work you are performing has had a lasting impact on many Ohioans. Thank you to those who donated to the Combined Charitable Campaign (CCC) last year. As a State, we raised more than \$2.7 million, which brought our 30-year total to more than \$102 million.

Your support has allowed many charities throughout Ohio to continue to provide exceptional services and resources. Now, more than ever, these organizations need our assistance. Currently, many organizations are being relied upon much more and are expected to expand services without increasing their costs. Your support is vital to the CCC charities and those they serve during this health pandemic.

Each charity in this guide provides important services for Ohioans and Americans. If you have yet to sign up for the CCC, I encourage you to consider it this year. A small donation has a profound impact.

Thank you for all you do to serve our state every day.

Very respectfully yours,

Mike DeWine
Governor

YOU are the 2020 Honorary Chair

Dear Fellow Employee,

During these unprecedented times, all Ohioans are doing their part to fight the COVID-19 pandemic. As State employees you are proof that we are truly #InThisTogetherOhio. You have adapted to new working conditions, whether that is facing new challenges in your workplace or the challenges of working from home.

Governor Mike DeWine challenged each of us to do our part to help prevent the spread of this disease, telling us the power is in each of us to make a difference. Your actions have done that.

Each year, the Combined Charitable Campaign picks an honorary chair to carry the flag and inspire us to change the world through our contributions.

Through your actions this year, you have shown that you have the power to change the world. You have made sacrifices, and you have helped save lives. That's why this year, YOU are our honorary chair.

As we face a world with unprecedented challenges and needs, know that you inspire us, and we hope you look to one another for inspiration and choose to continue making a difference through the CCC.

Sincerely,
State of Ohio Combined Charitable Campaign Steering Committee

Message from Christopher Mabe President of OCSEA/AFSCME Local 11

The Combined Charitable Campaign has been a true partnership between labor and management in the State of Ohio since its inception in 1989. Because of this effort, we are proud to say that Ohio leads other states in charitable participation, including in dollars raised, the rate of participation and in average gift.

As State employees, we've always considered giving back to be an important part of who we are as public employees. By giving to those in need, the funds from our combined effort make it possible to find solutions to social justice issues, advance medical research, provide educational opportunities, feed the hungry, house the homeless, and protect the environment.

How we treat the least among us, is the measure for our whole community.

I hope you join me and other State employees in making a contribution to a charitable organization. Let's make this our best year ever.

Sincerely,

Christopher Mabe
President of OCSEA/AFSCME Local 11

You can locate a specific charity in a number of ways:

- * **By federation/location:** Charities are listed following their federation affiliation. United Ways are further broken down by county.
- * **By index:** Use the alphabetical index to locate your favorite national or local charities. There is a numerical index available on the website if you think you may know the charity code.
- * **Look online:** The resource guide also is available online at Ohio.gov/ohioccc and has a search option to help you search for your favorite charity.
- * **Multiple listings:** Some charities that have many locations or affiliates show multiple listings, indicating their inclusion in several regional or county organizations.

Thank you for making a difference with your charitable contribution.

IMPORTANT CAMPAIGN INFORMATION

What is the combined charitable campaign (CCC)?

It is an effort to consolidate many charitable campaigns into one, asking State of Ohio employees for voluntary donations through payroll deductions or one-time gifts. A combined campaign results in minimal workplace disruptions and lower administrative costs. There are multiple participating federations and hundreds of member charities that you may choose to support.

The State of Ohio Combined Charitable Campaign is codified in the Ohio Administrative Code, Chapter 123:1-28-01.

The charity resource guide:

The charity resource guide displays charity listings of all eligible charitable federations and member charities that have met CCC eligibility requirements. A sample charity listing is shown below. Key elements include: the organization's five-digit code, a 25-word or less statement of purpose, and its administrative and fundraising expense rate (AFR).

SAMPLE CHARITY LISTING

12345 ABC Charity

Provides emergency and transitional housing.

EIN: 12-1234567- 18.0%

The Employer Identification Number (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). Please note: some organizations may be covered under an umbrella organization's tax exemption status and EIN.

The EIN and AFR are included to help you identify organizations that meet your interests and performance standards.

Additional federation and member charity information can be found in this guide and on [GuideStar.org](https://www.guidestar.org), a national database of nonprofit organizations. When searching in GuideStar, it is best to utilize EINs. You will find the EIN in the federation or member charity description. There is no cost to access GuideStar for this information.

What is the 2020 campaign goal?

The overall 2020 campaign goal for the State of Ohio is \$2.1 million. Each agency also has its own goal, which will be shared with its staff by the agency director and/or agency campaign coordinator.

What are the dates of the campaign?

The campaign begins Wednesday, August 26 and ends Friday, October 9.

Who is my agency campaign coordinator?

Go to [Ohio.gov/ohioccc](https://ohio.gov/ohioccc) to find your agency campaign coordinator.

There are two methods of contributing to the CCC:

- * Online pledging
- * Paper pledge form

Online pledging:

The CCC offers an online giving system, ePledge, which allows donors to make donations to the CCC without using paper pledge forms. The online system is a secure and efficient method of viewing and making contributions to the campaign. You may choose to make a payroll deduction or a one-time donation via credit card or electronic check. A minimum donation of \$26 is required for credit card payments and electronic checks. It's fast and easy!

How do I access ePledge? You will access the ePledge site through MyOhio.gov and make your donation by clicking on the myCCC button.

The online system will walk you through the process and allow you to donate by payroll deduction, credit card, or electronic check. If you are unsure how to proceed once accessing the link, step-by-step directions are available at Ohio.gov/ohioccc. After your pledge is complete, you will receive an email confirmation, which can be printed and saved. Please complete the online survey after you have completed your pledge.

You will receive, via your work e-mail, online pledging notifications during the campaign with the words "Combined Charitable Campaign." These e-mails are safe to open and provide important campaign information. **Emails will be sent to employees on August 5, 12 and 19. The campaign will officially begin on August 26.** E-mails will continue throughout the campaign.

Note: Once you complete your pledge online, you will no longer receive CCC email messages. You also may log on to ePledge using the myCCC tile on MyOhio.gov to affirm that you have made a paper pledge or want to opt out of future messaging.

2020 paper pledge form:

While online giving is an efficient and safe method of making donations to the campaign, paper pledge forms also are available from agency campaign coordinators or online at Ohio.gov/ohioccc.

Cash/Check donations:

If you wish to make one-time check or cash donations or do not have a work email address, you should complete a paper pledge form. Paper pledge forms may be obtained from and turned in to your agency campaign coordinator. Please note: The online option is only for pledging by payroll deduction, credit card, and electronic check.

New employees:

Employees hired on or after August 7 must make their pledge using a paper pledge form.

When completing a paper pledge form:

- Use a black pen and write legibly
- Do not staple the pledge form
- Sign and date the pledge form
- Fill in the appropriate bubble(s) if you wish to be anonymous or not receive a donor recognition item
- Forms may be photocopied for your records or your agency campaign coordinator's records
- When you have completed your paper pledge form, please return it to your agency campaign coordinator

What if my favorite charity isn't included in the CCC?

All charities participating in the State of Ohio Combined Charitable Campaign have completed a thorough application and review process and are members of a federation (please see the definition below). If your favorite charity is not listed, they may not have applied or may not be a member of a federation listed in this resource guide. You may wish to suggest that officials representing that charity contact one of the participating federations to inquire about membership. Contact information for each federation is listed on pages 83 - 86.

What is a federation?

Federations are organizations which have multiple independent, charitable agencies as members. They serve as “umbrella” organizations for a wide range of member charities which play a major role in delivering health, human, environmental, and educational services. Participating federations are carefully selected. Federations wishing to participate in the CCC submit applications to the CCC Statewide Steering Committee each year. To be approved for participation by the CCC, federations must meet specified criteria which include, but are not limited to the standards listed below. For a full list of eligibility criteria, see the CCC policies and procedures online at Ohio.gov/ohioccc.

Key standards for federations and charitable agencies:

- Must be a 501(c)(3), not-for-profit, tax-exempt, charitable federation with at least 3 member charities
- Must provide direct health, human, environmental, or educational services
- Must be incorporated or authorized to do business in Ohio
- Must adhere to standard accounting procedures
- Must be in existence for at least two years prior to the date the campaign begins
- Must have a stated policy of nondiscrimination and comply with EEO laws

This year's participating federations are:

A Special Wish Foundation	EarthShare Ohio
America's Best Charities	Global Impact
America's Best Local Charities	Habitat for Humanity of Ohio
America's Charities	Local United Ways and Community Federations
Community Health Charities	Neighbor to Nation
Community Shares	United Negro College Fund

To ensure equal representation in the resource guide, the order in which federations and their member charities are listed rotates each year.

What are the payment options available to me?

Payroll deduction, the easy method of giving, has several advantages. It's simple and you can make your gift over a period of time. If you select the payroll deduction option, deductions will be made from your paychecks during calendar year 2021. Each year employees must submit a new pledge. Donations do not automatically continue from year to year. If you select the payroll deduction option, you must complete an online pledge **or** sign a paper pledge form to authorize the deduction to begin in January.

One-time gifts of cash or checks also may be made during the campaign. Any monetary contribution must be accompanied by a pledge form. **Contributions by check must be made payable to the Combined Charitable Campaign (CCC)**. Be sure to enclose cash or checks securely with your completed paper pledge form. Do not staple cash or checks to pledge forms. If you choose to donate by electronic check or credit card, this option is available online.

With either method, you may designate up to eight charities as long as each charity's gift is \$3 or more for a one-time gift, or \$1 or more per charity per pay for payroll deductions. A minimum total donation of \$26 is required for credit card payments and electronic checks.

Your CCC deduction will be reflected on your pay statement as "CCC."

How do I designate my gift?

Through the CCC, you may designate your gift to as many as eight (8) federations or member charities by indicating your choices on the employee pledge form. Each federation and charity are listed separately, with an assigned five-digit charity code (e.g., 12345) that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

To support a federation and have your gift shared among all of its charities, choose the federation code as it appears preceding the federation name and description. To support an individual charity within a federation, select that charity's code as it appears preceding the charity name and description.

Should I designate my contribution?

Designating your contribution increases your charity's ability to capture a greater portion of the undesignated dollars. If you don't designate, some of your money may go to charities that you do not support, so you are strongly encouraged to carefully choose your designations. Charities that receive no direct contributions will not receive any undesignated contributions. Pledge forms returned with donations but without charity codes will be counted as undesignated donations.

"00000" Undesignated Code:

If you choose not to designate your contributions to a specific charity, but want to donate to the campaign as a whole, you should enter "00000" where the charity code is needed. A "00000" contribution will go into an "undesignated" category and will be divided among the federations by the percentage of dollars that were pledged out of the total campaign dollars.

What portion of my gift funds administrative costs?

Included in each charity's description is a percentage reflecting the portion of contributions that charity uses for administrative costs, such as management and fundraising. The CCC Review Committee approved these charities for this year's campaign based on their individual circumstances and documentation provided. Each charity has provided a description of their work to help you make an informed choice in designating your gift.

What is the administrative rate for the CCC?

Administrative costs for the 2019 campaign were 8.0% of funds received. These funds provide for the creation and printing of the resource guide, newsletters, video, donor recognition items, coordinator training, professional staff, campaign audit, IT support, postage, and supplies. All of the federations share in the administrative cost proportionate to their designations in the campaign.

What are donor recognition items?

Combined Charitable Campaign contributors who meet the requirements listed below will be thanked with a recognition item unless they decline the gift when pledging. Donors may decline recognition items by filling in the bubble that offers the option on the paper pledge form or by choosing this option while logged into ePledge.

CCC Supporter - For New and Increasing Donations

New donors who make a gift of at least \$2 per pay or a one-time gift of \$52, and donors who increase their previous year's gift by at least \$2 per pay or \$52 may receive an RFID Secure Wallet used to prevent identify theft and credit card fraud.

CCC Superstar

How can I show my support of CCC?

If you would like to share why you support the CCC or how it has positively impacted you or someone you know, we encourage you to provide a short written or video testimonial to be shared with your fellow State employees. To submit a written testimonial, visit ohio.gov/ohioccc to download the testimonial and waiver forms (or request them from your agency campaign coordinator), complete the forms, and return them to your coordinator. These testimonials may be used in the charity resource guide, brochures, or in CCC emails.

To submit a video testimonial, please work with your agency campaign coordinator to record a 30-second, or shorter, video of you telling us why CCC is important to you. Your coordinator will then share the video with agency employees via email and/or posting it on your agency's social media using the hashtag #OhioCCC. You also can post your own CCC videos directly to your agency's social media using #OhioCCC.

**Charities Provide Important Services
to the Elderly through CCC**

I donate to LifeCare Alliance for the work they do with the elderly, including my mother who they've transported for several years to the dining center for recreation or provided with lunch meals when she can't go for health reasons. I found them in the listing of optional charities and felt it was a well-deserved choice to give back to those giving to my family. I appreciate the organization and will support them going forward.

Support Scouting Programs for Boys and Girls

I give to the Combined Charitable Campaign (CCC) because I can support organizations that I believe in and help them continue their programs. Through the CCC I am able to support local Boy Scout councils that I've been involved with as an adult volunteer. My contributions support the Tecumseh Council and the Lake Erie Council. They bring the scouting program to boys and girls in their areas, helping to develop leadership skills and outdoor camping skills.

Your Donation Provides Hope for a Bright Future

My daughter was diagnosed with bone cancer when she was 10. She spent a year undergoing chemotherapy, had 6 major surgeries and even died once. It was then I realized what charitable organizations could really mean. The emotional support and hope organizations like Make a Wish give to terminally ill children is imperative for their recovery. Every child deserves hope and the ability to look forward to a bright future.

Give the Gift of Cherished Time

I donate to CCC because my wife's grandmother died from ALS (Lou Gehrig's Disease). The only redeeming takeaway from illnesses like ALS or cancer, is they allow you time to spend with someone, time to tell them how much they mean, ask questions, and have conversations otherwise missed out on when someone is taken suddenly in an event such as a car crash, heart attack, or stroke. You get a window of time to cherish.

Your Donation Preserves the World for Future Generations

In 1972, I traveled on an unpaved highway in the Amazon. At night, we could hear animal noises and the rain forest surrounded both sides of the road. In 1980, I flew over the same highway and there was no forest. Wildlife habitat is rapidly disappearing. For the past several decades I used the CCC to donate to the World Wildlife Fund. It helps to prevent wildlife extinction and preserve majestic creatures for future generations.
