ARTICLE 8 - F.O.P. TIME

8.01 Labor Council Delegate and Officer Leave

A bank of one thousand five hundred (1500) hours for each year of the Agreement of paid time off will be made available to Labor Council officers for Labor Council business at the discretion of the Labor Council. The Labor Council shall reimburse the Employer for the cost of the salary and Employer's share of the pension contribution for these one thousand five hundred (1500) hours. Such reimbursement shall be made to Highway Patrol Operating Account, Fund 036. Any employee using this time off shall receive his regular pay without loss of benefits, seniority or service credit. Additionally, Labor Council members

who are delegates to Labor Council (sixty (60) maximum) shall receive paid time off to attend such conferences.

This leave may be used in conjunction with paid time such as compensatory time, personal leave and holiday compensatory time at the option of the specific delegate or officer. If such leave is used in conjunction with vacations, employees must give twenty-one (21) days notice. No one (1) employee shall be allowed to use more than two hundred (200) hours of paid time in any one (1) calendar year.

The Labor Council will notify the Employer of the names of those employees who may use this paid leave. The Labor Council will notify the Employer of the dates of all conferences and will notify the Employer of the dates of all conferences and conventions to which delegates may be sent two (2) months in advance of the event.

Other uses of time by union officers will require notice of fourteen (14) calendar days to the Post Commander. In the event of an emergency, as defined by Article 66 of this Agreement, this leave may be cancelled. Paid leave may be denied for reasons of operational necessity but it shall not be unreasonably denied.

8.02 Associate Time

The Labor Council may designate one Labor Council Associate and alternate at each Division facility. The Labor Council Associates are Union Stewards as that term is generally used. The Associate or alternate will be permitted time off, as set forth below, during the work week to attend to administration of the Agreement. During such time, the Associate or alternate shall continue to be paid at his/her regular rate and shall receive all fringe benefits, seniority accrual and other benefits. When not using time for such purposes, Associates and alternates will perform their regularly assigned job duties.

In addition to the time permitted by the grievance procedure, each Labor Council Associate or alternate shall be permitted to use a reasonable amount of paid time to consult with Labor Council representatives and represent bargaining unit members at grievance meetings.

Labor Council Associates or alternates shall investigate and process grievances for employees and represent employees as provided for in the grievance procedure contained in Article 20 on paid time with no loss of benefits. Each Associate or alternate will notify his/her Post Commander of the necessity to leave his/her work assignments to carry out his/her duties in connection with this Agreement. Prior to conducting any activity under this section, Associates or alternates will secure the permission of the Supervising Officer as specified by the Employer. Permission will be granted after consideration of work operations of the Patrol. Such permission will not be unreasonably withheld. If it should become necessary to deny such paid time in connection with the investigation or processing of a grievance, the time provided in the grievance procedure for action to be taken by the Labor Council will automatically be extended, by adding one (1) day to the time limits contained within the grievance procedure for each day the Labor Council associate is denied time to investigate or process grievances.

Upon entering any work area other than his/her own and prior to engaging in any steward duties, the associate shall report to the supervisor of the work area. He/she shall identify the nature of the activity he/she is to perform.

The Labor Council shall provide written notification to the Employer of the appointment of chief associates, Associates, or alternates prior to such appointment being effective. No appointment will be recognized until written notification is received by the employer.

A chief associate may be recognized in each of the nine patrol districts. The duties of the chief associate will be to coordinate representation at all the posts in the district. When an associate is not available and representation is required, the chief associate will attempt to secure representation in the following sequence:

1. From the nearest post within the district closest to the post where representation is required;

2. From other posts within the district located closer than the chief associate's assigned post; or
3. If unable to secure representation as outlined above, the chief associate shall provide the representation.

The chief associate will perform his/her duties by telephone at times that do not interfere with normal patrol activities. Toll calls may be made from work but shall be paid for by the Union. Where available, the Employer will provide reasonable access to telephones that are not a part of an automatic recording system. The chief associate may travel to train new post associates. Such travel shall be coordinated with the Employer and shall be of a reasonable duration.

8.03 Paid Release Time

A. The Labor Council may designate three (3) of its members for release from their job duties at no loss of pay, seniority or other benefits. In addition the Labor Council may designate eighteen (18) officers who may utilize up to eighty (80) hours of paid release time pursuant to this paragraph each year. Such time must be requested pursuant to paragraph 8.01. Each designated employee shall be available for calls during an emergency as that term is defined in Article 66 and shall be required to meet all requirements necessary for maintaining a position as an employee. Each employee released from their job duties shall be permanently assigned to the post at which he/she served before being released from duties or any Patrol facility within the geographic boundaries of District six (6) and upon ceasing to have this designation shall be returned to permanent assignment at this post or a post within thirty (30) miles of his/her current residence, or another post otherwise mutually agreed upon.

B. For the purpose of providing this release time the vacation balance of each member of the Labor Council within the bargaining unit shall be reduced by five (5) hours in the first pay period of July of each calendar year. This reduction shall be made from the regular accrual of vacation to which the employee would otherwise be entitled. The cumulative amount of this deduction from the vacation balances of Labor Council members shall be used to provide the paid release time available in paragraph "A" above.

A copy of the tape recording or transcript will be provided upon request of either party.

Such administrative leave with pay shall be for the purpose of investigating the event or the condition.

Administrative leave with pay shall not be considered discipline and is not subject to the grievance procedure as long as no loss of pay or benefits is incurred by the employee.

A member who is charged, or his/her representative, may make a written request for continuance of up to forty-eight (48) hours. Such continuance shall not be unreasonably requested nor denied. A continuance may be longer than forty-eight (48) hours if mutually agreed by the parties.

The grievant shall cite on the grievance form the specific article(s) and/or section(s) or combination thereof that the grievant alleges to have been violated. Failure to cite said provision(s) shall relieve the Employer of any obligation to process the grievance.

20.05 Grievant

A grievance may be initiated by any bargaining unit member who believes himself/herself to be aggrieved by a specific violation of this Agreement.

When a group of bargaining unit members desires to file a grievance involving an alleged violation which affects more than one member in the same manner, the grievance may be filed by the F.O.P. Ohio Labor Council provided that at least one member so affected signs the grievance. Grievances so initiated shall be designated Class Grievances. The title on the grievance shall bear the name of the one (1) affected member plus the designation `et al'. Class Grievances shall be filed within fourteen (14) days of the date on which any of the like affected grievants knew or reasonably could have had knowledge of the event

giving rise to the class grievance. Class grievances shall be initiated directly at the second step of the grievance procedure.

20.06 Termination of the Issue

When a decision has been accepted by the appropriate parties at any step of this grievance procedure, it shall be final and no further use of this grievance procedure shall take place.

20.07 Grievance Procedure

The parties intend that every effort shall be made to share all relevant and pertinent records, papers, data and names of witnesses to facilitate the resolution of grievances at the lowest possible level. The following are the implementation steps and procedure for handling grievances:

Step 1 - Immediate Supervisor or Designee

An employee having a grievance shall present it to his/her immediate supervisor within fourteen (14) days of the date on which the grievant knew or reasonably should have had knowledge of the event giving rise to the grievance.

Grievances submitted beyond the fourteen (14) day time limit will not be honored. The grievance at this step shall be submitted to the immediate supervisor in writing using a form mutually agreed upon. The grievance forms may be obtained at each facility. On this form, the grievant shall specify the article(s) and/or section(s) of the Agreement which he/she alleges has been violated, and specify the remedy sought. The immediate supervisor shall indicate the date and time of his/her receipt of the form. Within five (5) days of the receipt of the written grievance, a supervisor shall schedule a meeting with the grievant to discuss the grievance. A Labor Council representative shall attend this meeting. He/she may represent the grievant if requested to do so by that person. The supervisor shall respond to this grievance by writing his/her answer on the grievance form and returning a copy to the grievant and a copy to the Fraternal Order of Police, Ohio Labor Council, Inc. within nine (9) days of the meeting required above. Insofar as practicable, Step 1 meetings will ordinarily be held at the work site of the grievant.

Step 2 - Department Director or His/Her Designee

Should the grievant not be satisfied with the written answer received in Step 1, within ten (10) days after receipt thereof, the grievant may appeal the grievance to the Office of Human Resource Management - Labor Relations and request that the meeting contemplated by this Step 2 appeal be scheduled by forwarding the original grievance form via U.S. mail to the Office of Human Resource Management, Labor Relations Unit, 660 E. Main Street, Columbus, Ohio, 43266-0522. Upon receipt of the grievance the Office of Human Resource Management - Labor Relations shall schedule a meeting to be held within twenty (20) days to discuss the grievance.

A Fraternal Order of Police, Ohio Labor Council representative shall attend this meeting. He/she may represent the grievant, if such representation is desired by the grievant. The Director/Superintendent or a designee shall render his/her decision in writing and return a copy to the grievant and the Fraternal Order of Police, Ohio Labor Council, Inc. within thirteen (13) days after the meeting with the grievant.

Step 3 - Director of the Office of Collective Bargaining

If the grievant or the F.O.P. Ohio Labor Council is not satisfied with the written answer received at Step 2, within ten (10) days after receipt thereof, the F.O.P. Ohio Labor Council may appeal to the Director of the Office of Collective Bargaining. The appeal shall be made in writing by mailing a copy of the grievance form to the Director along with any other supporting documentation. No hearing shall be held. The Director or his/her designee shall review the documents submitted, issue a decision in writing and return copies to the grievant, and the F.O.P. Ohio Labor Council within twenty (20) days of receipt of the appeal. No rationale or discussion of the merits of the grievance shall be required with the decision.

Step 4 Arbitration

If the Fraternal Order of Police, Ohio Labor Council, Inc. is not satisfied with the answer at Step 3, it may submit the grievance to arbitration under the provisions of Section 20.08 of this Article, by written notice of its desire to do so, presented to the Director of the Office of Collective Bargaining within fifteen (15) days after receipt of the Step 3 decision.

20.08 Arbitration

1. Panel of Permanent Umpires

Within thirty (30) days after this Agreement becomes effective, the parties (The Office of Collective Bargaining and the Fraternal Order of Police, Ohio Labor Council, Inc.) shall select four (4) permanent umpires to serve as umpires for both Units 1 and 15. The umpires shall be assigned cases in rotation order designated by the parties. Each umpire shall serve for the duration of this Agreement, unless his/her services are terminated earlier by written notice from either party to the other. The umpire shall be notified of his/her termination by a joint letter from the parties. The umpire shall conclude his/her services by settling any grievances previously heard. The successor umpire shall be selected by the parties within thirty (30) days after the resignation or termination of an umpire.

The selection process for the four (4) permanent umpires is as follows: Each party shall propose ten (10) names. Each party shall strike at least six (6) names from the other party's list and may strike as many names as the striking party desires. If fewer than four (4) names are left when the lists are combined, each party shall submit a new list with ten (10) additional names on it and the process shall be repeated. The parties may agree to an alternative method of selecting umpires.

Should the parties be unable to agree on any of the other details of the arbitration process, all unresolved questions shall jointly be submitted to one of the umpires on the list chosen at random, for resolution, whose decision will be binding on the parties.

Rules applicable to this article shall be based, in so far as practicable, on the voluntary rules of the American Arbitration Association.

2. Witnesses

The Employer agrees to allow witnesses time off with pay at the regular rate to attend the arbitration hearing.

3. Expenses

- a. All other fees and expenses of the umpire will be equally divided between the parties.
- b. If one (1) party desires a transcript of the proceedings, the total cost for such transcription shall be paid by the party desiring the transcript. If the other party desires a copy, then the total cost for such transcription shall be shared equally by both parties. The parties agree that normally transcripts will not be requested.
- c. All other costs incurred by the parties will be paid by the party incurring the costs.

4. Decisions of the Umpire

The umpire shall render his/her decision as quickly as possible, but in any event, no later than thirty (30) days after the conclusion of the hearing unless the parties agree otherwise. The umpire shall submit an account for the fees and expenses of arbitration. The umpire's decision shall be submitted in writing and shall set forth the findings and conclusions with respect to the issue submitted to arbitration.

The umpire's decision shall be final and binding upon the Employer, the F.O.P. Ohio Labor Council and the employee(s) involved, provided such decisions conform with the Law of Ohio and do not exceed the jurisdiction or authority of the umpire as set forth in this Article. The grievance procedure shall be the exclusive method for resolving grievances.

The parties may request that the umpire, on a case by case basis, retain jurisdiction of a specific case. In that the parties are using a permanent umpire, questions of clarifications of awards will normally be

submitted to that umpire without the necessity of a further grievance or action. This statement, however, does not limit the ability of either party to exercise any other legal options they may possess.

5. Limitations of the Umpire

Only disputes involving the interpretation, application or alleged violation of a provision of this Agreement shall be subject to arbitration.

The umpire shall have no power to add to, subtract from or modify any of the terms of this Agreement, nor shall the umpire impose on either party a limitation or obligation not specifically required by the language of this Agreement.

6. Subpoena

a. The umpire shall have authority to subpoena witnesses pursuant to Section 2711.06 of the Ohio Revised Code. Upon receiving a request to issue a subpoena(s), the umpire shall contact the other party and hear and consider objections to the issuance of said subpoena(s). The umpire shall not subpoena persons to offer repetitive testimony.

b. When the umpire determines that so many employees from the same facility have been subpoenaed that it would impede the ability of the Employer to carry out its mission or inhibit the Employer's ability to conduct an efficient operation, he/she shall make arrangements to take the desired testimony in such manner as will not cause these problems.

c. Where the intent of the parties is determined to be relevant, no more than one (1) member of either bargaining committee may be called as a witness by a party.

7. Discovery

Five (5) days prior to the start of an arbitration hearing under this Article, the parties shall deliver the names of all witnesses to each other. Where either party will make an issue of "intent," that party will notify the other party ten (10) days prior to the hearing.

8. Issues

Prior to the start of an arbitration under this Article, the Employer and the Fraternal Order of Police, Ohio Labor Council, Inc. shall attempt to reduce to writing, the issue or issues to be placed before the umpire. In cases where such a statement of the question is submitted, the umpire's decision shall address itself solely to the issue or issues presented and shall not impose upon either party any restriction or obligation pertaining to any matter raised in the dispute which is not specifically related to the submitted issue or issues. More than one issue may be submitted at the same time to arbitration, particularly if they are related to each other, by mutual agreement.

20.09 Disciplinary Grievances

1. An employee with a grievance involving a suspension, fine, demotion, or discharge shall file his/her grievance at the Step 2 level within fourteen (14) days of notification of such action.

2. Verbal and written reprimands shall be grievable and filed directly at Step 2 of the procedure. Step 2 shall be the only level of review. Verbal and written reprimands shall not be subject to arbitration under this Agreement. Except as otherwise provided in this Agreement, fines may be arbitrated.

3. Disciplinary grievances shall be submitted to arbitration by written notice to the Director of the Office of Collective Bargaining, within fifteen (15) days of the receipt of the Step 3 decision.

4. Disciplinary arbitration hearings will be conducted as all other arbitrations except that at the conclusion of the hearing, the umpire may issue a bench ruling sustaining or denying the grievance or modifying the discipline imposed or issue a short written decision within five (5) days of the close of the hearing. If a written decision is issued, it shall include only a statement of: (1) the granting of the grievance, or (2) a denial of the grievance or (3) a modification of the discipline imposed, and a short explanation of the reasoning leading to the decision.

20.10 Representation

1. In each step of the grievance procedure outlined in this Article, certain specific F.O.P. Ohio Labor Council representatives are given approval to attend the meetings therein prescribed. It is expected that, in the usual grievance, these plus the appropriate Employer representatives will be the only representatives in attendance at such meetings. However, it is understood by the parties that, in the interest of resolving grievances at the earliest possible step, of the grievance procedure, it may be beneficial that other representatives or witnesses, not specifically designated be in attendance. Therefore, it is intended that either party may bring additional representatives or witnesses to any meeting in the grievance procedure, but only upon advance mutual agreement among the parties specifically designated to attend providing such additional representatives have input which may be beneficial in attempting to bring resolution to the grievance.

2. The grievant and the associate shall be allowed time off with pay at regular rate from regular duties for attendance at scheduled meetings under the grievance procedure. The grievant and the associate will not receive overtime pay to engage in grievance activities provided herein; however, grievance meetings shall usually be held during normal working hours.

3. Employees shall have the right of Fraternal Order of Police, Ohio Labor Council representation upon request at each step of the grievance procedure. The Fraternal Order of Police, Ohio Labor Council, Inc. shall be the exclusive representative of the employee in all matters pertaining to the enforcement of any rights of the employee under the provisions of this Article.

4. A Labor Council associate or an alternate shall attend the meetings scheduled at each step of the grievance procedure.

20.11 Miscellaneous

1. The grievant or the Fraternal Order of Police, Ohio Labor Council representative and management, may mutually agree, at any step, to a short time extension, but such agreements must be in writing and signed by both parties. Any step in the grievance procedure may be skipped by mutual consent, written and signed by both parties.

Approved leave with pay shall constitute an automatic time extension to the grievant with respect to such days. In the absence of such mutual extensions, the grievance will, at any step where response is not forthcoming within the specified time limits, automatically be considered submitted to the next successive step in the grievance procedure. Should the grievant or Fraternal Order of Police, Ohio Labor Council, Inc. fail to comply with the time limits specified herein, the grievance will be considered to have been resolved in favor of the position of the Employer and that decision will be final.

Except as provided above, grievances must be processed by the Employer whether or not grievant or representatives attend the meetings provided for in this Article in accordance with the time limits set out herein. The parties agree, however, that absent extenuating circumstances, a Labor Council representative and the grievant must be present at an arbitration hearing to have the umpire consider a grievance on its merits.

2. By mutual consent, the parties may waive a hearing and submit the issue on written materials only. By mutual consent, the parties may alter any of the procedures set forth in this Article.

3. At any step in this grievance procedure, the F.O.P. Ohio Labor Council shall have the final authority, in respect to any aggrieved employee covered by this Agreement, to decline to process further a grievance, if, in the judgement of the F.O.P. Ohio Labor Council, such grievance lacks merit or justification under the terms of this Agreement, or has been adjusted or rectified under the terms of this Agreement to the satisfaction of the F.O.P. Ohio Labor Council.

20.13 - Alternative Dispute Resolution

If both parties to this agreement concur, the procedures provided in this Article 20 may be modified or replaced in whole or in part by a grievance mediation/resolution procedure except that any such procedure must provide for a definitive and binding resolution of the issues presented thereby. No such procedure shall be effective unless and until it is reduced to writing and signed by the Director of the Office of Collective Bargaining and the Executive Director of the Labor Council.

ARTICLE 21 - WORK RULES

21.01 Copies of Work Rules

The employer agrees that existing work rules, and directives shall be reduced to writing and be made available to affected employees at each work location. To the extent possible, new work rules and directives shall be provided to the Labor Council two (2) weeks in advance of their implementation. In the event that the Labor Council wishes to present the views of the bargaining unit regarding a new work rule or directive, a time will be set aside at the regularly scheduled Labor/Management Committee meeting. The issuance of work rules and directives is not grievable. The application of such rules and directives is subject to the grievance procedure.

21.02 Scheduling

The Employer maintains the right to establish reasonable work rules to control the number of persons to be scheduled off work at any one time.

21.03 Application

All work rules and directives must be applied and interpreted uniformly as to all members. Work rules or directives cannot violate this contract. In the event that a conflict exists or arises between a work rule and the provisions of this Agreement, the provisions of this Agreement shall prevail.

The Highway Patrol will provide a lunch break for Dispatchers when possible.

Should the parties impasse on the issues raised, the dispute shall be resolved by referral to arbitrator Harry Graham in accordance with the procedures in 4117.14 for resolving disputes. Effective December 31, 1996, this provision shall automatically be deleted from the contract.

26.02 Report-in and Commutation Time

Employees shall be at their work sites, report-in location or headquarters location promptly at their shift starting time. Any employee who must begin work at some location other than their actual work location or report-in location shall have any additional travel time counted as hours worked except that the current practice for court appearances shall continue.

26.03 Meal Breaks

Bargaining unit members assigned to the Academy, as instructors, on a permanent or temporary basis, shall receive an unpaid meal break of one (1) hour during each tour of duty, usually scheduled near the mid-point of the shift.

Employees shall receive a paid meal break, not to exceed one-half hour, during each tour of duty. Troopers shall be subject to emergency calls during this meal break.

26.04 Split Shifts

Members of the bargaining units will not be required to work any split shifts except in local emergency situations.

26.05 Double Backs

At any time when the starting times of shifts worked by a member are less than twenty-four (24) hours apart, the members will receive one and one-half (1-1/2) times his/her hourly rate, including premium pay for the second shift worked except in local emergency situations. A shift worked immediately following a report-back will not be considered a double back for pay purposes under this Article.

26.06 Area Assignments

On any shift, assignments to patrol areas will be rotated equitably.

26.07 Technicians

Electronic Technicians shall be scheduled Monday through Friday on the day shift.

ARTICLE 27 - OVERTIME

27.01 Overtime and Compensatory Time

Because of the unique nature of the duties and emergency response obligations of the Division, management reserves the right to assign employees to work overtime as needed.

1. Any member who is in active pay status more than eight (8) hours in one day or forty (40) hours in one week shall be paid one and one-half (1.5) times his/her regular rate of pay including shift differential if ordinarily paid for all time over eight (8) hours in one day or forty (40) hours in active pay status. The regular rate of pay includes all premium pay routinely received.

2. An employee may elect to take compensatory time off in lieu of cash overtime payment of hours in an active pay status more than eight (8) hours in one day or forty (40) hours in any calendar week except that for voluntary statewide overtime details (e.g., State Fair, Boy's State and Girl's State) and federally funded positions the Employer shall retain the right to pay

compensatory time in cash rather than in time off. Such compensatory time shall be granted on a time and one-half (1.5) basis.

3. The maximum accrual of compensatory time shall be three hundred sixty (360) hours for all employees.

4. When the maximum hours of compensatory time accrual is rendered, payment for overtime shall be made in cash.

5. Upon termination of employment, an employee shall be paid for unused compensatory time at a rate which is the higher of:

- a. The final regular rate received by the employee, or
- b. The average regular rate received by the employee during the last three years of employment.

6. This paragraph shall not create overtime on a daily basis due to the definition of an eight (8) hour day when an employee is working an alternative daily or weekly schedule such as a four ten-hour day work week.

27.02 Active-Pay Status

For purposes of this Article, active pay status is defined as the conditions under which an employee is eligible to receive pay, and includes, but is not limited to, vacation leave, sick leave, personal leave, compensatory time, bereavement leave and administrative leave.

27.03 Overtime Assignments

It is understood and agreed that determining the need for overtime, scheduling overtime, and requiring overtime are solely the rights of the Employer.

Good faith attempts will be made to equalize overtime opportunities at any one installation.

27.04 Report-Back Pay

A. "Report-Back" occurs when a member of the bargaining unit is called to return to work to do unscheduled, unforeseen or emergency work after the member has left work upon the completion of the regular day's work, but before he/she is scheduled to return to work.

B. When a member reports back, he/she shall be paid a minimum of four (4) hours pay at his/her regular rate, plus shift differential if ordinarily paid.

C. Working a shift as the result of a mutually-agreed to shift trade shall not constitute a report back.

D. Regularly scheduled shift hours following report back are to be paid at straight time.

For report back purposes "scheduled time" is that time scheduled by a post commander during the shift selection process set out in Article 26.

27.05 Standby Pay

Whenever an off-duty employee is placed on a standby basis by the Employer, he/she will be paid one-half of his/her regular rate of pay for all hours that he/she is actually on standby.

27.06 Requests for Compensatory Time Off

Requests for compensatory time off must be submitted in writing in advance of the anticipated time off. Such requests shall be given reasonable consideration. Requests made within 24 hours in advance of the anticipated time off may be given reasonable consideration.

27.07 Granting of Compensatory Time Off

Compensatory time off shall be granted subject to the operational needs of the facility.

27.08 Pyramiding of Overtime

There shall be no pyramiding of overtime.

27.09 Specialty Exemptions

If, during the duration of this contract, bargaining unit members are assigned to the Executive Protection Section, they will be exempt for Sections 26 and 27 of this agreement.

ARTICLE 28 - ABSENCE CONTROL POLICY

28.01 Absence Control Policy

The employer shall have an absence control policy that is fair and reasonable and not arbitrary or capricious. To the extent that this policy does not conflict with state law or this contract, the absence control policy shall include, but not be limited to:

1. Report-in procedures for request for sick leave.
2. "Ill at work" procedures.
3. Procedures for extended illness.
4. Procedures for emergency requests for personal or vacation leave.
5. Procedures for use of leave without pay when leave times are exhausted.
6. Violations of leave procedures.

28.02 Abuse of Leave

Abuse of leave shall constitute just cause for disciplinary action which may include dismissal.

Abuse of sick leave is the utilization of sick leave for reasons other than those stated in state law or this contract. The abuse of sick leave shall be grounds for the disapproval of leave time for the time used abusively.

ARTICLE 29 - SHIFT TRADE

By the mutual agreement between the involved employees and the Post Commander or equivalent supervisor, members of the bargaining unit assigned to the same work facility and in the same job classification may trade scheduled work days. Approval for such shift trade shall not be unreasonably denied by the Post Commander or equivalent supervisor.

The accumulative duration of shift trades by any one employee shall be limited to thirty (30) days in a calendar year, except for those situations provided for in Section 37.03 of this Agreement.

ARTICLE 30 - TRANSFERS/PAYMENT FOR MOVING EXPENSES

30.01 Transfers

A. Employees shall submit transfer requests to the Office of Human Resource Management (HRM) for both Patrol post and specialty positions. Those transfer requests shall be maintained in an active transfer file. When the Employer determines a position shall be filled by transfer, the active transfer file shall be used to fill the position. When the Employer creates a new position, to be filled by transfer, the position will be posted at all Highway Patrol facilities for a period of seven (7) calendar days. All personnel in the affected classification shall have the right to bid on the position. Selection of the person to fill the position shall be based on ability and seniority. In the event of a field opening, i.e., an opening at one of the fifty-eight (58) Patrol posts, seniority shall be the determining factor. If no bid is received and the employer determines the position must be filled, the most junior employee shall be transferred.

When position openings are created as the result of the impending graduation of a cadet class, the Employer shall post an "open bid" period for transfer requests. The Employer shall state the graduation date of the cadet class, and the effective date of position openings as the result of the graduation. The Employer shall then receive and consider all transfer requests of incumbents prior to assigning cadets to positions. Transfer requests may list up to five posts.

There shall be no cadet assigned to a position if a member has properly submitted a transfer request for that position during the posted "open bid" period. The Employer is not otherwise required to honor a member's transfer request during this period.

B. Specialty Positions

The Employer shall have the right to transfer members out of any non-field position at its discretion pursuant to the following:

For the purpose of this agreement, a "non-field" position is defined as any position within the Academy, Office of Human Resource Management, Aviation, Planning and Analysis, Inspections and Standards, Executive Protection, Office of Investigative Services, Crash Reconstruction, or as a Plain Clothes Investigator.

The Employer may involuntarily reassign members in non-field positions to a field or other non-field position. Any transfer initiated by the Employer for this purpose shall not result in the transferred employee having to relocate, unless the relocation is the result of the affected employee's transfer request. Any employee assigned to the Academy, the Office of Human Resource Management, Aviation, Planning and Analysis, Inspections and Standards, and Executive Protection, as of February 1, 1992, shall only be transferred out of such position pursuant to paragraph A. Any employee presently assigned to Office of Investigative Services, Crash Reconstruction, and or as a Plain Clothes Investigator, on the effective date of this Agreement, shall only be transferred out of such position pursuant to paragraph A.

30.02 Moving Expense

Moving expense will be authorized and paid by the Employer for employees when the transfer has been initiated by the Employer. Moving expenses will be reimbursed according to procedures established by the Superintendent. Moving expenses will be determined by obtaining three bids from licensed moving companies, who are authorized to operate in this state by the Public Utilities Commission of Ohio.

Moving expenses will not be granted when the transfer is at the request of the individual or the initial move of the cadets upon graduation and assignment from the Academy.

30.03 Temporary Living Expenses

An employee shall be entitled to reimbursement for meals and lodging for up to 20 working days, as provided by procedures of the Department of Administrative Services, following a transfer initiated by the Employer. Living expenses incurred during the initial move of the cadets upon graduation and assignment from the Academy shall not be covered.

30.04 Moving Time

Members who have been transferred shall be given two (2) paid days off at their regular rate for moving.

ARTICLE 31 - RESIDENCY

31.01 Requirements

Members of the bargaining unit are required to abide by the statutory residency provisions provided for State employees which include residency within the State of Ohio. For dispatchers and communication technicians these shall be the only residency requirements.

When the Employer permits commutation in a state owned vehicle the following shall apply:

1. Members who reside within a thirty (30) mile radius of their report-in location may be eligible to commute to and from their residence in a state owned vehicle.
2. Members assigned to TDIT (traffic drug interdiction teams and dog handlers) positions who reside within a 50 mile radius of their report-in location may be eligible to commute to and from their residence in a state owned vehicle.

Members who reside outside of the above stated parameters are ineligible to commute to and from their residence in a state owned vehicle.

Changes in report-in locations initiated by the employer will not change a member's eligibility to commute in a state owned vehicle.

ARTICLE 32 - TEMPORARY WORKING LEVEL ASSIGNMENT

32.01 Payment of Temporary Working Level Assignment

The Employer may temporarily assign an employee to replace an absent employee or to fill a vacant position within the bargaining unit during the posting and selection process. If the temporary assignment is for a continuous period in excess of four (4) days, the affected employee shall receive a pay adjustment which increases the employee's step rate of pay to the greater of: a) the classification salary base of the higher level position, or b) a rate of pay at least five (5) percent above his/her current step rate of compensation. The pay adjustment shall in no way affect any other pay supplement which shall be calculated using the employee's normal classification salary base. The employee shall receive the pay adjustment for the duration of the temporary assignment. A position filled in this manner for more than three (3) months shall be posted as a vacancy unless the vacancy is caused by a long term illness from which the employee is expected to return.

ARTICLE 33 - SMOKING POLICY

The parties acknowledge that the Employer has authority to make reasonable rules regulating smoking. In no event, shall such regulations impede the following:

1. Smoking will be permitted in outdoor areas during non-work times such as before or after work, official breaks and during lunch.
2. When driving in a state vehicle or private vehicle on state business, smoking is prohibited if there are non-smokers in the vehicle who desire that the smoker abstain. It is the responsibility of the smoker to ask whether anyone desires that he/she not smoke.
3. The agency will provide educational programs to assist employees in maintaining compliance with this Article. All potential employees affected by this Article will be made aware of these conditions.

ARTICLE 34 - STANDARDS OF PERFORMANCE

The Employer and the Labor Council are committed to providing the highest level of service to the citizens of the State of Ohio. Employees' performance will be measured utilizing standards which account for both law enforcement and administrative duties. Employees will be apprised of the relative standards of performance of their job, based upon the employee's duty assignment, hours of work and other relative criteria, and counseled if the employee does not meet these standards. The Employer shall not establish a quota system for the issuance of law enforcement violations.

Time spent engaged in activities approved by a supervisor of a non-enforcement nature shall be considered in measuring job performance.

ARTICLE 35 - REDUCTION IN FORCE

35.01 Layoffs

Layoffs of employees in the bargaining unit may only be made pursuant to ORC 124.321 et. seq. and Administrative Rule 123:1 41-01 et. seq. except as modified by this Article.

35.02 Guidelines

The Labor Council will be notified in writing of the targeted classifications/positions involved in the layoff. Seniority as defined in Article 36 shall be used to determine the order of layoff or recall. The use of retention points is hereby abolished. Performance evaluations will not be a factor in layoff.

35.03 Bumping or Displacement

- Laid-off employees by seniority shall have one option to either;
- a. Displace the least senior within the same like classification or;
- b. Bump the least senior within the same like classification series or;
- c. Be laid off and await recall to the district where the layoff occurred.

35.04 Recall

Employees on layoff shall have recall rights for a period of twenty-four (24) months with the most senior recalled first within the applicable district from which the employee was laid off. Notification of recall shall be by certified mail to the employee's last known address. If the employee fails to report for work within five (5) days following receipt of notification, he/she shall forfeit recall rights.

Any employee who must move to fill a position for any reason set forth in this Article shall not be entitled to reimbursement for any expenses resulting from the move.

All layoff, abolishment and displacement appeals shall be filed directly at Step 4 of the grievance procedure.

ARTICLE 36 - SENIORITY

36.01 Definition

Seniority shall be defined as the total length of continuous service in a permanent full-time position or succession of positions with the Employer. Continuous services also will not be interrupted if the employee was on approved leave of absence or if the employee is reemployed within two (2) years from the date of a layoff.

For all employees entering this bargaining unit after March 29, 1989, any time previously served as an employee of any state agency shall not count toward the employee's continuous service.

In the event of a layoff or a reduction in position, a Sergeant who enters this bargaining unit shall have the seniority to which his/her length of continuous service with the Highway Patrol Division as a law enforcement employee entitles him/her.

36.02 Identical Hire Dates

When two (2) or more employees have the same seniority dates, seniority shall be determined by length of service at the facility. Should a tie still exist, seniority shall be based on the Civil Service examination taken by the employees. The employee having the highest examination score shall be considered the most senior. If the examination scores are identical or the examination scores are unavailable, then a flip of the coin shall determine which employee is the most senior.

36.03 Termination of Seniority

Seniority shall terminate when the employee:

- 1. Quits, resigns, or is otherwise separated from the Patrol for more than one (1) year;
- 2. Retires;

37.02

In addition to the basic training provided at the Academy, advanced, specialized or individual training may be provided as needed. The reasons for training may include, but are not limited to, the overall improvement of skill and efficiency; changes in laws or duties and responsibilities' changes in equipment or technologies; and to qualify for positions of the greater responsibilities.

The work day for all training programs shall be from 8:00 AM to 5:00 PM, unless otherwise specified, with one (1) hour for lunch and time for breaks as the program allows. Employees assigned to attend training programs will adopt the schedule of the program.

Employees required to participate in official duties or classes that extend beyond an eight (8) hour work day may be compensated according to the overtime provisions of this contract.

Staying or sleeping overnight at a particular location during a training program shall not give rise to the accumulation of overtime.

Travel time to and from training programs shall be considered as on-duty hours and compensated appropriately.

37.03

The Employer encourages those employees who wish to pursue further education and/or training in addition to programs provided by the Employer. Bargaining unit members may be permitted to trade shifts and/or days off with the other members in the same classification in order to attend non-departmental education or training programs. The trading of shifts and/or days off will be by mutual agreement of the involved employees and the Post Commander or equivalent supervisor. Approval for such trade shall not be unreasonably denied by the Post Commander or equivalent supervisor.

The Employer will reimburse members of the bargaining unit up to one hundred percent (100%) of their tuition fees for any training or education received at an institution of higher education located within the State of Ohio, based on the following:

The Superintendent or his/her designee will retain final authority to approve or deny all such tuition reimbursement requests, based on sound management practices, including the availability of funds. If limitation of funding prevents all tuition reimbursement requests from being approved, bargaining unit members enrolled in a degree program will receive first consideration. If funding limitation further prevents all members enrolled in a degree program from being approved, the member who has been continuously enrolled in a specific degree program will receive first consideration.

Any such request for tuition reimbursement will not be unreasonably denied.

The parties will meet as soon as practicable after the effective date of the Agreement to establish a panel of expert physicians knowledgeable in chemical, nuclear and/or industrial hazards. Employees may be referred to such physicians by the examining emergency room physician. The Employer will pay for such examinations if not covered by the Bureau of Workers' Compensation or health insurance.

Those persons placed on discipline shall not be eligible for voluntary overtime or special off-duty until they are retested and have been found to be making sufficient progress toward their goals. The failure to maintain sufficient progress shall disqualify the employee from overtime and off-duty assignments. Sufficient progress shall be defined as losing one pound (1 lb.) per

week for the first thirteen (13) weeks and one-half (1/2 lb.) per week, thereafter, until the weight standard is met.

For all troopers employed after March 29, 1989, the progressive discipline detailed in the program shall be followed.

For all troopers employed on March 29, 1989, the progressive disciplinary system articulated in the program, as modified by the above paragraph, shall not be implemented until August 1, 1992. For all troopers employed after March 29, 1989, the progressive discipline detailed in the program shall be followed immediately.

If an employee is called to work from a scheduled vacation leave period, or if an employee's previously approved vacation leave is cancelled, the employee will have the right to take the vacation leave at a later time and will be paid at time and one-half (1 1/2) for the time the employee is in on-duty status. Upon submission of appropriate evidence, the employee shall also be reimbursed for any non-refundable travel and lodging costs incurred as a result of cancelling or returning from his/her vacation.

At non-peak times requests for personal leave of eight (8) hours or less received with at least forty-eight (48) hours notice shall not be unreasonably denied. Requests made less than 48 hours in advance of the anticipated time off may be given reasonable consideration.

Each employee, in addition to normal sick leave, is entitled to one thousand five hundred (1500) hours of occupational injury leave at the regular rate per independent injury incurred in the line of duty, with the approval of the superintendent.

46.02 Injuries

Injuries incurred while on duty acting within the scope of his/her authority and job classification description shall entitle an employee coverage under this Article. An injury on duty which aggravates a previous injury will be considered an independent injury. O.I.L. is not available for injuries incurred during those times when an employee is in the act of arriving or departing from his/her assigned facility if not responding to an emergency or called in by a supervisor, when an employee is engaged in activities of an administrative or clerical nature, when an employee is on a meal or rest break, or when an employee is engaged in any personal business.

46.03 Waiting Period

Occupational injury leave may not be used within seven (7) days of the date of injury. Normal sick leave may be used during this time period.

However, if an employee is immediately hospitalized overnight by a medical doctor due to a qualified on-duty injury, no loss of sick leave shall occur.

The Highway Patrol may, at its discretion, arrange for light duty for employees experiencing partial disability and on occupational injury leave, sick leave or disability leave.

Such efforts will be made at the employee's assigned post, or at other divisional facilities as determined by the Employer. All living expenses incurred as the result of a light duty assignment to another divisional facility in cases where the Employer cannot allow a daily commute to the employee's residence will be paid by the Employer. Any light duty employee who must begin work at some location other than his/her regular work location or report-in location shall have any additional travel time counted as hours worked. Light duty may only be assigned up to a maximum of fifty (50) miles.

4. the Employer has been given seven (7) days notice of the travel, and;

Employees receiving Workers' Compensation who have health insurance shall continue to be eligible for health insurance at no cost to the employee not to exceed 24 months. Further, pending the certification of a Workers' Compensation award, the Employer shall continue group health insurance coverage at no cost to the employee, including the employee's share of such costs, for a period not to exceed 24 months. The Employer has the right to recover such payments if the Workers' Compensation claim is determined to be non-compensable.

ARTICLE 47 - DISABILITY LEAVE

47.02 Waiting Period

Disability leave benefits shall commence with the employee's first scheduled workday following a waiting period of fourteen (14) consecutive calendar days. The waiting period shall commence the day after the occurrence of the disabling illness, injury, or condition.

47.03 Standard

A. An employee eligible for disability leave benefits under this Article may receive disability benefits for an initial period of three (3) months if it is determined that the employee is incapable of performing the duties of the position held by the employee immediately prior to becoming disabled. If during that initial three (3) month period it is determined that the employee is capable of performing the duties of the position held by the employee immediately prior to becoming disabled, then disability benefits shall be discontinued. After three (3) months of receiving disability leave benefits, the employee's claim shall be reviewed to determine if the employee is capable of:

- a. Performing light physical work activities; or
- b. Performing non-stressful activities requiring the ability to remember and carry out simple procedures independently and respond appropriately to work pressures, co-workers, and supervisors.

If it is determined that the employee is capable of performing light physical work or non-stressful activities, then the Superintendent may provide such work for the employee and disability leave benefits will terminate.

If the Superintendent is unable to provide the employee with light physical work or non-stressful activity, then the employee will continue to receive disability leave benefits until he/she is capable of performing the duties of the position held immediately prior to becoming disabled or until the Superintendent is able to provide light physical work or non-stressful activity, whichever is earlier.

47.04 Return to Work

By application of the employee and with the prior approval of the Director of Administrative Services and the Superintendent, an employee who remains disabled and is receiving disability leave benefits may participate in a rehabilitation work training program or be reinstated on a part-time basis to the position held immediately prior to disability. Before approval is granted, the employee shall provide to the Superintendent a physician's statement allowing the employee to return to work part-time. This statement shall indicate the number of hours the employee could work and all restrictions placed on the employee's activities. The employee will continue to receive disability benefits for the hours the employee is unable to work.

The Superintendent shall reinstate the employee on a full-time basis to the position held immediately prior to becoming disabled, provided the Director of Administrative Services has determined that the employee is no longer disabled and the employee's physician has released him/her to perform the duties of the position.

47.05 Length of Disability

Disability leave benefits shall remain payable until it is determined that the employee is no longer disabled, or for a maximum of two (2) years, whichever is earlier.

47.06 Subsequent Disability

A subsequent disability unrelated to a previous illness, injury or condition shall be considered the same claim if it occurs while an employee is on an approved disability leave, pursuant to Section 47.01 of this Article.

A subsequent unrelated disability that occurs after a return to work following a previous disability shall be considered a new claim. A new waiting period must be served before the employee will be eligible to receive disability leave benefits.

A related disability claim separated by a return to work of six (6) months or less will be considered as the same disability claim. Benefits may be payable from the first day of the subsequent disability if the employee remains disabled and off work for at least fourteen (14) days.

A related disability claim separated by a return to work of more than six (6) months will be considered a new disability claim. A new waiting period must be served before the employee will be eligible to receive disability leave benefits.

47.07 Application for Disability Leave Benefits

1. Filing a Claim

The employee, a member of the employee's family, or a representative of the employee, may file a claim for disability leave benefits with the Superintendent. The claim shall be filed on a form designated by the Department of Administrative Services within forty-five (45) days of the last day the employee worked. Where extenuating circumstances exist which prevent an employee from filing a claim, a written statement by the employee's physician and/or the Superintendent, explaining such extenuating circumstances, must be filed within a reasonable time after the forty-five (45) day time period has expired. The Superintendent shall, within five (5) days of receipt of the claim, forward the claim and the claim recommendation to the Director of Administrative Services.

2. Documentation

It shall be the employee's responsibility to provide written documentation to substantiate the cause, nature, and extent of the disabling illness, injury or condition for which the employee is requesting disability leave benefits. A medical examination report shall be required prior to the granting of disability leave benefits and the employee shall be responsible for the cost of obtaining such report.

3. Notification of Initial Disability Decision by the Director

The employee shall be notified in writing of the disability determination within forty (40) days of receipt of the claim by the Director of Administrative Services and shall also be advised of the right to file a grievance.

4. Submission of Additional Information

If the employee disagrees with the determination regarding the employee's request for disability leave benefits, the employee may submit additional information to the Superintendent. Such information must be submitted within thirty (30) days of the date of the notification of the determination or within thirty (30) days of the ending date of approved disability benefits, whichever is later. The Superintendent shall, within five (5) days of receipt of such additional information, forward it to the Director. By exercising such right to submit additional information, the employee does not waive his/her right to file a grievance. The grievance must then be filed within thirty (30) days of notification of the decision based on the submission of additional information. If the employee chooses not to submit additional information, then he/she may file a grievance.

Except as modified herein, any grievance arising under this Section will be filed in accordance with the procedures contained in Article 20 of this Agreement, and shall be initiated at Step 3 of the Grievance Procedure.

5. Obligation to Consult a Licensed Practitioner

6. Address Change

An employee receiving disability leave benefits shall be responsible for keeping a current address on file with the Superintendent.

47.08 Conditions Precluding Receipt of Disability Leave Benefits

Disability leave benefits are not payable for any disability caused by or resulting from:

1. Any injury or illness received in the course of and arising out of any employment covered by any Workers' Compensation or federal compensation plan, unless the employee chooses to receive disability leave instead of Workers' Compensation benefits.

a. In the case of any injury or illness which may be covered by the Bureau of Workers' Compensation, an employee may receive, up to one hundred twenty (120) days of disability leave benefits in lieu of Workers' Compensation benefits. To be eligible for such payment, an employee must simultaneously file a claim for Workers' Compensation lost time wages and a claim for disability leave benefits with the Superintendent. The Superintendent shall within five (5) days of receipt forward the two (2) claims together to the Director of Administrative Services. Disability leave benefits may then be paid for a period up to one hundred and twenty (120) days in lieu of Workers' Compensation benefits.

Within forty-five (45) days of notification of a final order from the Industrial Commission denying the claim for Workers' Compensation lost time wages, an employee may request that the initial disability application be reviewed for approval or extension of disability leave benefits.

b. Employees who receive injury pay pursuant to Article 46 of this Agreement may be eligible for disability leave benefits when injury pay expires, if they have received a final notice denying Workers' Compensation benefits and have applied for disability leave benefits within forty-five (45) days of such notice.

5. Does not consult a state licensed practitioner for necessary medical care pursuant to Section 47.07(5) of this Article; or
6. Does not notify the Superintendent of a change of address pursuant to Section 47.07(6) of this Article.

If an employee engages in any of the above acts, the Director of Administrative Services will notify the employee of the intention to disqualify the employee from receiving disability leave benefits as of the date the employee first engaged in any of the prohibited acts. Such notice will contain the reason for the proposed termination of benefits. If the employee disagrees with the proposed termination, he/she may file a grievance. The grievance must be filed within thirty (30) days of the notice of disqualification and must contain a statement rebutting the reasons set forth for the proposed termination of benefits.

47.10 Payment of Disability Leave Benefits

1. Disability Payments

Disability leave benefits will be paid at seventy percent (70%) of the employee's total rate of pay for the first six (6) months, and fifty percent (50%) the employee's total rate of pay for the remaining eighteen (18) months of eligibility. Eligibility to receive disability benefits after six (6) months is contingent upon the employee complying with Section 47.10 B.

For the purpose of determining the disability leave benefits, an employee's total rate of pay shall be determined as of the date the employee becomes disabled. Disability leave benefits are payable biweekly based on a pay period of fourteen (14) days. Disability leave benefits for any partial pay period remaining at the expiration of any period of disability accrue on an hourly basis, at the rate of eight (8) hours for each workday, and are payable at the expiration of the period of disability.

2. HPRS or PERS Application

Prior to the end of the first six (6) months of receiving disability benefits pursuant to this Article, the employee shall submit an application to either the Highway Patrol Retirement System or the Public Employees' Retirement System (PERS), as is appropriate, along with all information required by HPRS or PERS, for disability retirement under HPRS or PERS. The receipt of continued benefits pursuant to this Article, after the initial six (6) month period, shall be conditioned upon the employee satisfactorily complying with all HPRS or PERS requirements to the application process for disability retirement.

In the event the employee is granted disability retirement by HPRS or PERS, such retirement benefits shall offset the disability benefits provided under this Article. In no event will the receipt of HPRS or PERS retirement benefits result in a reduction in the percentage of aggregate income provided in this Article.

3. Accrual of Service Credit

An employee receiving disability leave benefits shall continue to accrue service credit for purposes of determination of vacation benefits, annual step increases, longevity and retirement benefits. Vacation leave benefits shall not accrue while an employee is receiving disability leave benefits. 4. Payment of Retirement System Contributions

For the first three (3) months of disability leave, the employee shall be responsible for paying the employee's share of retirement contributions. After the first three (3) months of disability leave benefits, the state shall pay the employee's share as well as the Employer's share of retirement contribution. These contributions shall be made in the amounts set pursuant to the Ohio Revised Code for members granted disability leave benefits based on the employee's total rate of pay in effect at the time the employee becomes disabled.

5. Payment of Insurance Premiums

During the time an employee is in a no pay status while his/her claim for disability leave benefits is being processed and during the period that the employee is receiving disability leave benefits, the Employer and employee's share of the health, life and other insurance benefits will be paid by the Employer. Only those insurance benefits paid in whole or in part by the state shall be subject to the provisions of this section. If an employee's claim for disability leave benefits is subsequently denied and the employee had been in a no pay status while his/her claim was being processed, then it is the employee's responsibility to reimburse the Employer the insurance premiums paid on his/her behalf. An employee receiving disability leave benefits may participate in an open enrollment period, but any change in the employee's health insurance benefits will not be effective until the employee returns to active pay status.

6. Supplementation of Benefits

An employee receiving disability leave benefits may indicate to his/her Employer his/her desire to supplement the disability leave benefits by using accumulated sick leave, personal leave, and vacation leave balances. Such supplementation shall have an effective date as of the date the employee requests the supplementation.

The sick leave, personal leave, and vacation leave balances shall be paid at a rate equal to the employee's total rate of pay in effect at the time the employee became disabled.

The total amount received by an employee while receiving disability leave benefits supplemented by sick leave credit, personal leave credit, and vacation leave balances, plus any amount contributed by the State on behalf of the employee pursuant to paragraphs (2) and (3) of this section shall be an amount sufficient to give the employee up to one hundred percent (100%) of pay for time on disability.

7. Payment of Costs

All of the cost, premium or charges for the benefits provided by the state employee disability leave benefits program shall be paid by the State.

47.11 Appeal of a Denial

If a request for disability leave benefits is denied, the employee shall be informed of the denial in writing. The employee may then file, in writing and within thirty (30) days of the notice of the denial, a request for an appeal of the denial with the Director of Administrative Services or his/her designee. Additional information regarding the employee's claim may be submitted with the employee's grievance and such information will be considered during the appeal.

Where a medical question is at issue, the Director shall upon receiving a written request for an appeal, obtain a medical opinion from an independent third party who shall be mutually agreed to by the employee's physician and the Director. The selection of a third party shall be made within fifteen (15) days of the appeal, unless an extension is agreed to by the parties.

The third party selected shall render a medical opinion within thirty (30) days of the selection.

If the appeal to the Director results in denial of the disability leave benefits, the employee shall be informed of the denial in writing. The employee may then file, within thirty (30) days of the notice of the

denial, a grievance in accordance with Article 20 of this Agreement. The grievance must be filed at Step 3 of the Grievance Procedure.

47.12 Disability Separation

If an employee becomes unable to perform the substantial and material duties of his/her position and is not eligible to receive disability leave benefits, the employee will be given a disability separation.

If an employee receiving disability leave benefits is unable to return to work at the time his/her disability leave benefits are exhausted, the employee shall be given a disability separation.

For employees not eligible to receive disability leave benefits, a leave of absence without pay due to a disabling illness, injury, or condition may be granted by the Superintendent, with approval of the Director, for a period of up to six (6) months upon the presentation of evidence as to the probable date for return to active work status. The employee must demonstrate that the probable length of disability will not exceed six (6) months. The granting of a leave of absence without pay will be subject to Article 49 of this Agreement.

If the employee is unable to return to active work status within the six (6) month period due to the same disabling illness, injury or condition, the employee will be given a disability separation. If an employee is placed on leave of absence without pay and subsequently given a disability separation due to the same disabling illness, injury or condition, the total combined time of absence due to the disability shall not exceed three (3) years for purposes of reinstatement rights under Section 47.13 of this Agreement.

A medical examination or satisfactory written documentation substantiating the cause, nature, and extent of the disabling illness, injury or condition shall be required prior to the granting of a leave of absence or disability separation unless the employee is hospitalized at the time the leave of absence is to begin or the disability separation is given. If an examination is requested by the Superintendent, the Superintendent shall bear the cost of the examination.

47.13 Reinstatement Rights

1. An employee given a disability separation shall have the right to reinstatement within three (3) years after having been given a disability separation to a position in the classification the employee held at time of separation. If the classification the employee held at time of separation no longer exists or no longer is used in the Highway Patrol, the employee shall be placed in a similar classification. If no similar classification exists the employee may be laid off.
2. An employee receiving disability leave benefits unable to return to work at the time his/her disability benefits are exhausted shall retain the right of reinstatement to a position for a period of up to three (3) years from the time the employee became eligible to receive disability leave benefits, upon written request to the Superintendent or his/her designee.
3. An employee given a disability separation subsequent to a leave of absence without pay for the same disabling injury or illness shall retain the right to reinstatement for a period of up to three (3) years from the time the employee began a leave of absence without pay, upon written request to the Superintendent or his/her designee.

47.14 Request for Reinstatement

Any request for reinstatement following a disability separation must not be later than three (3) years following a disability separation, a leave of absence followed by a disability separation, or the period the employee received disability leave benefits followed by a disability separation. The request must be in writing.

47.15 Medical Examination

The employee requesting reinstatement from a disability separation shall be eligible for reinstatement after a medical examination, conducted by a physician to be designated by the Director of Administrative Services, or upon the submission of other appropriate medical documentation establishing that the

disability, illness, injury or condition no longer exists. Designations of a physician shall be made from lists provided to the Director from the public employee's retirement board.

The examination must show that the employee has recovered sufficiently from the disabling illness, injury or condition so as to be able to perform the substantial and material duties of the position to which reinstatement is sought. The cost of such examination shall be paid by the Employer. The Superintendent may require the employee to submit to an additional examination prior to returning to work to determine whether the disabling illness or injury continues to exist.

47.16 Failure to be Reinstated

An employee who fails to apply for reinstatement or is not found to be fit for reinstatement after proper application and examination shall be ineligible for reinstatement and shall be deemed as permanently separated from service as of the date which the employee was given a disability separation.

47.17 Early Reinstatement

An employee who applies for reinstatement and is found unfit for early reinstatement from a disability separation shall remain eligible for reinstatement at the completion of the appropriate three (3) year period.

47.18 Notice of Return Date

The Superintendent shall notify the employee, at the time disability separation is given, of the required procedures for proper reinstatement.

47.19 Abuse of Disability Separation

An act of an employee, who has been given a disability separation, which is determined by the Director of Administrative Services to be inconsistent with the employee's disabling illness or injury may render the employee ineligible for reinstatement.

47.20 Disability Retirement

A pregnant employee, who is eligible for disability leave in accordance with this Agreement and who does not desire to use vacation or sick leave or does not have accumulated sick leave or vacation may, upon written request to the Superintendent or designee, be granted a leave of absence without pay or assignment to a light duty position if available.

A pregnant employee not eligible to receive disability leave benefits shall, upon request, be permitted to use any or all of the employee's accumulated vacation leave, or compensatory time at any reasonable time prior to or following childbirth. Such vacation leave may precede, be part of, or follow the period as defined in Section 47.21 of this Article.

ARTICLE 48 - SICK LEAVE

48.01 Definitions: Sick Leave for State Employees

- A. "Active pay status" means the conditions under which an employee is eligible to receive pay, and includes, but is not limited to, vacation leave, sick leave, bereavement leave, administrative leave and personal leave.
- B. "No pay status" means the conditions under which an employee is ineligible to receive pay, and includes, but is not limited to, leave without pay, leave of absence and disability leave.
- C. "Full-time employee" means an employee whose regular hours of duty total eighty (80) hours in a pay period in a state agency, and whose appointment is not for a limited period of time.

48.02 Sick Leave Accrual

All employees shall accrue sick leave at the rate of 3.1 hours for each eighty (80) hours in active pay status, excluding overtime hours, not to exceed eighty (80) hours in one year.

Less than full-time employees shall receive 3.1 hours of sick leave for each eighty (80) hours of completed service, not to exceed eighty (80) hours in one year.

Employees that are on approved leave of absence or receiving Workers' Compensation benefits shall be credited with those sick leave hours which they normally would have accrued upon their approved return to work.

Sick leave shall be granted to employees who are unable to work because of illness or injury of the employee or a member of his/her immediate family living in the employee's household or because of medical appointments or other ongoing treatment. The definition of "immediate family" for purposes of this Article shall be: spouse, significant other ("significant other" as used in this Agreement, is defined to mean one who stands in place of a spouse, and who resides with the employee), child, step-child, grandchild, parents, step-parents, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents, great grandparents, brother, sister, step-siblings, brother-in-law, sister-in-law or legal guardian or other person who stands in the place of a parent. Sick leave may be granted to care for an employee's child/parent(s) regardless of whether or not the child/parent(s) is currently living in the same household, but in cases in which both spouses are employed by the State, only one parent may be granted sick leave to care for a child/parent on the same day.

A period of up to ten (10) working days of sick leave will be allowed for parenting during the postnatal period or following an adoption.

The amount of sick leave charged against an employee's accrual shall be the amount used, rounded to the nearest one tenth (1/10) hour. Employees shall be paid for sick leave used at their regular rate. After employees have used all of their accrued sick leave, they may choose to use accrued vacation, compensatory time or personal days or may be granted leave without pay.

48.03 Notification

When an employee is sick and unable to report for work, he/she will notify his/her immediate supervisor or designee no later than one half (1/2) hour before starting time, unless circumstances preclude this notification. The Employer may request a statement, from a physician who has examined the employee or the member of the employee's immediate family, be submitted within a reasonable period of time. Such physician's statement must be signed by the physician or his/her designee. Failure to notify the Employer in accordance with the provisions of this paragraph shall result in the employee forfeiting any rights to pay for the time period which elapsed prior to notification unless unusual extenuating circumstances existed to prevent such notification.

If sick leave continues past the first day, the employee will notify his/her supervisor or designee every day unless prior notification was given of the number of days off. When institutionalization, hospitalization, or convalescence at home is required the employee is responsible for notifying the supervisor at the start and end of such period. Failure to notify the Employer in accordance with the provisions of this paragraph shall result in the employee forfeiting any rights to pay for that day, and may subject the employee to disciplinary action.

48.04 - Sick Leave Policy

It is the policy of the State of Ohio to grant sick leave to employees when requested. It is also the policy of the State to take corrective action for unauthorized use of sick leave and/or abuse of sick leave. It is further the policy of the State that when corrective and/or disciplinary action is taken, it will be applied progressively and consistently.

It is the desire of the State of Ohio that when discipline is applied it will serve the purpose of correcting the performance of the employee.

Sick Leave Policy

I. Purpose

The purpose of this policy is to establish a consistent method of authorizing employee sick leave, defining inappropriate use of sick leave and outlining the discipline and corrective action for inappropriate use. The policy provides for the equitable treatment of employees without being arbitrary and capricious, while allowing management the ability to exercise its administrative discretion fairly and consistently.

II. Definition

A. Sick Leave

Absence granted per negotiated contract for medical reasons.

B. Unauthorized Use of Sick Leave

1. Failure to notify supervisor of medical absence;
2. Failure to complete standard sick leave form;
3. Failure to provide physician's verification when required;
4. Fraudulent physician verification.

C. Misuse of Sick Leave

Use of sick leave for that which it was not intended or provided.

D. Pattern Abuse

Consistent periods of sick leave usage, for example:

1. Before, and/or after holidays;
2. Before, and/or after weekends or regular days off;
3. After pay days;
4. Any one specific day;
5. Absence following overtime worked;
6. Half days;
7. Continued pattern of maintaining zero or near zero leave balances; or
8. Excessive absenteeism - use of more sick leave than granted.

III. Procedure

A. Physician's Verification

At the Agency Head or designee's discretion, the employee may be required to provide a statement, from a physician, who has examined the employee or the member of the employee's immediate family, for all future illness. The physician's statement shall be signed by the physician or his/her designee. This requirement shall be in effect until such time as the employee has accrued a reasonable sick leave balance. However, if the Agency Head or designee finds mitigating or extenuating circumstances surrounding the employee's use of sick leave, then the physician's verification need not be required.

Should the Agency Head or designee find it necessary to require the employee to provide the physician's verification for present or future illnesses, the order will be made in writing using the "Physician's Verification" form with a copy to the employee's personnel file.

Those employees who have been required to provide a physician's verification will be considered for approval only if the physician's verification is provided within three (3) days after returning to work.

B. Unauthorized Use or Abuse of Sick Leave

When unauthorized use or abuse of sick leave is substantiated, the Agency Head or designee will effect corrective and progressive discipline, keeping in mind any extenuating or mitigating circumstances.

When progressive discipline reaches the first suspension, under this policy, a corrective counseling session will be conducted with the employee. The Agency Head or designee will jointly explain the

serious consequences of continued unauthorized use or abuse of sick leave. The Agency Head or designee shall be available and receptive to a request for an Employee Assistance Program in accordance with Article 41 (EAP). If the above does not produce the desired positive change in performance, the Agency Head or designee will proceed with progressive discipline up to and including termination.

1. Use of sick leave, or other paid leave in lieu of sick leave*, on six (6) or more occasions on any twelve (12) month period, except for pre-scheduled medical appointments for which leaves has been requested at least one week in advance, shall subject an employee to disciplinary action in accordance with the following schedule:

Nine (9) times	One and one half (1 1/2) day fine or two (2) day suspension
Ten (10) times	Two (2) day fine or three (3) day or more suspension

2. An "occasion" for purposes of this Section shall mean an individual utilization of sick leave or other paid leave in lieu of sick leave as defined above regardless of the number of hours involved (e.g., one (1) hour, one (1) day or five (5) consecutive work days would all be one (1) occasion of sick leave). Any time an employee reports back to work and begins working ends an occasion of sick leave.

3. Oral and written reprimands under this Section are not subject to the grievance procedure with the one (1) exception of the appropriate application of the grid (i.e., miscounting occasions to determine the appropriate level of discipline). In such cases a grievance may be processed through Step 2.

4. Disciplines involving a fine or a suspension under this Section are grievable only through Step 2.

5. Discipline may be waived upon a showing of error in the application of this provision or satisfactory evidence that the occasion was a result of a bonafide, unpredictable and recurring medical condition necessitating the employee's absence.

6. Fines are only to be administered in accordance with the procedures adopted by the Office of Collective Bargaining. The deduction of fines from an employee's wages shall not require the employee's authorization for the withholding of fines from the employee's wages.

D. Pattern Abuse

If an employee abuses sick leave in a pattern, per examples noted in the section under definitions (not limited to those listed), the Agency Head or designee may reasonably suspect pattern abuse. If it is suspected, the Agency Head or designee will notify the employee in writing that pattern abuse is suspected. The Agency Head or designee will use the "Pattern Abuse" form for notification. The notice will also invite the employee to explain, rebut, or refute the pattern abuse claim. Use of sick leave for valid reasons shall not be considered for pattern abuse.

48.05 Carry-Over and Conversion

In the pay period including December 1 employees will be offered the opportunity to convert to cash any part of his/her accrued sick leave for the specific calendar year at the rate of fifty percent (50%). An employee not exercising a choice will automatically have the hours carried forward. An employee with a minimum of five (5) years of state service who terminates state service or retires shall convert to cash any sick leave accrued at the employee's regular rate of pay at the time of separation at the rate of fifty percent (50%). If an employee dies, the converted sick leave shall be credited to his/her estate. An employee who is granted military leave or leave without pay may be paid for accrued sick leave or may keep it in reserve for use upon return at his/her discretion. An employee who is re-employed or recalled from lay off and

who received a lump sum payment for unused sick leave may have such days restored by returning the amount paid by the Employer for the number of days to be restored.

Employees hired after July 1, 1986, who have previous service with political subdivisions of the State may use sick leave accrued with such prior employers but shall not be permitted to convert such sick leave to cash.

An employee who transfers from one bargaining unit to another shall be credited with the unused balance of his/her sick leave balance up to the maximum sick leave accumulation permitted in the bargaining unit to which the employee transfers.

Renewal or extension beyond the two (2) year period shall not be allowed.

49.04 Failure to Return

An employee who fails to return to duty within three working days of the completion or a valid cancellation of a leave of absence without pay without explanation to the Superintendent or his representatives, may be removed from the service.

49.05 Return to Service

Upon completion of a leave of absence, the employee is to be returned to the classification formerly occupied, or to a similar classification if the employee's former classification no longer exists. The employer has the right to fill the position formerly occupied when the employer feels it necessary. An employee may be returned to active pay status prior to the originally scheduled expiration of the leave if such earlier return is agreed to by both the employee and the Superintendent.

49.06 Service Credit

Adoption/child birth leave shall not affect an employee's right to leave under other provisions of this agreement, except that such leave shall be included in any leave time provided under the FMLA.

D. Part-Time Employees

The average regular hours worked (including holidays and paid leave) over the preceding three month period shall be used to determine eligibility and benefits under this Section for part-time employees, provided that such benefits shall not exceed forty (40) hours per week. If the employee has not worked a three (3) month period, the number of hours for which the employee has been scheduled per week will be used to determine eligibility and benefits.

E. Coordination with Disability Leave

Employees who are receiving disability leave prior to becoming eligible for adoption/child birth leave shall continue to receive disability leave for the duration of the disabling condition or as otherwise provided under the disability leave program. In the event that the employee's disability leave benefits terminate prior to the expiration of any benefits the employee would have been entitled to under Adoption/Child Birth Leave, the employee will receive Adoption/Child Birth Leave for such additional time without being required to serve an additional waiting period.

A. New employees shall be provided a copy of their position description. When position descriptions are changed, employees shall be furnished a copy. Any employee may request a copy of his/her current position description.

B. If an employee believes that he/she has been assigned duties substantially beyond the scope of his/her current classification, and the assigned duties have been performed for more than five (5) consecutive work days, then the employee may file a grievance with the agency designee. The grievance must state specifically the different duties performed, the higher classification that contains those duties and how those duties differ substantially from the ones normally assigned to the classification of the employee. Filing a grievance under this Article bars an employee from filing a subsequent grievance regarding job duties for one calendar year from the date of signing the grievance if his position control number has not changed.

The agency designee will review the grievance filed, conduct an investigation if necessary, and issue a written decision within fifteen (15) calendar days. If the agency designee determines that the grievant is performing duties not contained in his/her classification, the agency designee will direct the appropriate management representative to immediately insure that the grievant stops performing those particular duties. No meeting shall be held.

If the agency designee determines that the duties outlined in the grievance are being performed by the grievant, the agency designee will issue an award of monetary relief. The amount of the monetary award shall be the difference between the grievant's regular hourly rate of pay and the hourly rate of pay (at the applicable step) of the higher classification. In no event shall the monetary award be retroactive to a date earlier than five (5) calendar days prior to the date of the original grievance and will end on the date of the award.

C. If the union is not satisfied with the decision of the agency director, they may appeal the decision to the Office of Collective Bargaining. This appeal must be filed within five (5) calendar days of the employee's receipt of the agency director's decision.

D. After receipt of such grievance, the Director of the Office of Collective Bargaining shall investigate and issue a decision within thirty (30) calendar days.

E. If it is determined that the grievant is performing duties not contained within his/her classification, the Director of the Office of Collective Bargaining shall direct the agency to immediately discontinue such assigned duties.

If the duties are determined to be those contained in a classification with a lower pay range than that of the employee's current classification, no monetary award will be issued and appropriate duties shall be given to the employee.

If the duties are determined to be those contained in a classification with a higher pay range than that of the employee's current classification, the Director of the Office of Collective Bargaining shall issue an award of monetary relief, provided that the employee has performed the duties for a period of five (5) or more days.

F. Notwithstanding the provisions of Paragraph E, if the employee was assigned the improper duties during the existence of an emergency, the Director of the Office of Collective Bargaining shall deny the grievance.

G. Grievances hereunder may be processed only in accordance with this Article and shall not be arbitrable.

Bargaining unit seniority shall terminate for all others in accord with Article 36, Section 36.03.

Application of Bargaining Unit Seniority

Bargaining unit seniority shall be applied to rights related to transfers, shift bids, leave approvals, and other assignments if required by this agreement.
