

MBE-TIPS Fraud Hotline

Frequently Asked Questions

Overview

The Ohio Department of Administrative Services (DAS) Equal Opportunity Division (EOD) maintains a hotline for receiving allegations of fraud in the Minority Business Enterprise (MBE); Encouraging Diversity, Growth, and Equity (EDGE); Women-owned Business Enterprise (WBE); or Veteran-Friendly Business Enterprise (VBE) programs. Anyone who suspects a business certified through one of these programs – or an applicant seeking certification – is engaged in fraud or misconduct may file an allegation.

How and when can I report allegations of fraud or misconduct?

Allegations may be reported by contacting:

Will you accept anonymous allegations?

Yes, you may remain anonymous. However, EOD encourages you to consider identifying yourself in the event additional questions arise as we evaluate your allegations. Please consider providing your name and contact information to allow for follow-up contact if

needed. In many cases, our inability to reach you may prevent a comprehensive review of your complaint.

If you do choose to remain anonymous, simply state your intention when you call the hotline and are prompted for your name.

When will the investigation begin and how long will the investigation take?

We cannot provide a timeline for investigations but please know that we take every allegation seriously and will review them as quickly and thoroughly as possible.

How are complaints processed?

EOD will conduct a review and may or may not open an investigation depending on the details of each allegation received. It is possible some allegations may be referred to another State agency for review and action.

Can I receive a copy of the Investigation Findings?

Yes, you may receive a copy of the final findings of an investigation if you provide us with your contact information.
